

Stop Blackwater-Xe at Southwestern College!

Protest/Board Meeting Wed, May 13 6:30pm

About a year ago, Blackwater forced the City of San Diego to issue occupancy permits for their unwanted Otay Mesa warfare training facility using the Federal Court

system in an audacious display of secretive corporate power.

Now, Blackwater is attempting to purify their tarnished image by changing their official name to "Xe" and using the good name of Southwestern Community College to act like just another educational institution, which they are not.

The Memorandum of Understanding (MOU) agreed to by the governing board in Feb, 2009, allowed students to use the XBW shooting range, ostensibly for free, but then proceeded to provide that XBW would be reimbursed, that XBW would have access to on-campus conference rooms (apparently for mercenary recruiting) and imposed a "gag-order" on the Board of Governors, forcing approval of their statements by XBW in writing, among other problems.

On March 11, the Board reconsidered the MOU but voted to leave it in place and instead just renegotiate the many questionable provisions. Although an improvement, the college should STAY AWAY from BLACKWATER! (Four federal cases will be heard in San Diego later this year on their murderous behavior in Iraq.)

THIS AGREEMENT MUST BE STOPPED! We must say loud and clear that Blackwater-Xe cannot use our community colleges to purify their bad reputation.

PROTEST PRIOR TO THE BOARD MEETING. Bring Signs, etc. THEN COMMENT DURING THE MEETING at 7pm. ARRIVE EARLY TO GET A SEAT.
