

Research funding we have received from the CPUC:

We have one contract with the CPUC (Agreement 13IA5050) that began July 15, 2014 and ends December 31, 2016. It is an agreement to work on two energy efficiency evaluation projects and the contract total is \$559,243.

We have also received sponsorship funding from the CPUC for our annual research conference. Over the past 5 years, this is what we have received:

2015

Out of a total conference sponsorship of \$147,999 from 13 sponsors, we received \$10,000 from the CPUC.

2014

Out of a total conference sponsorship of \$107,999 from 10 sponsors, we received \$10,000 from the CPUC.

2013

Out of a total conference sponsorship of \$122,999 from 13 sponsors, we received \$10,000 from the CPUC.

2012

Out of a total conference sponsorship of \$102,999 from 12 sponsors, we received \$8,000 from the CPUC.

2011
