First Program Year Action Plan

GENERAL

Executive Summary

The 2009-2010 One-Year Action Plan implements the first year of the 2009-2014 Consolidated Plan and addresses the HUD consolidated planning requirements for the Community Development Block Grant (CDBG) and HOME Investment Partnership Act (HOME) programs.

This plan outlines the action steps that the City of El Cajon will use to address housing and community development needs in the City. The Plan includes a listing of activities that the City will undertake during Fiscal Year 2009-2010 (July 1, 2009 through June 30, 2010) that utilize CDBG and HOME funds. Use of redevelopment low and moderate income housing funds to leverage these federal entitlement grants is also discussed.

Priority Needs established in the 2009-2014 Consolidated Plan, which form the basis for establishing objectives and outcomes in the Strategic Plan and FY 2009-10 Annual Action Plan, are as follows:

- Conserve and Improve Existing Affordable Housing
- Provide Homeownership Assistance to Low and Moderate Income Households
- Provide Rental Assistance to Low and Moderate Income Households
- Preserve Assisted Housing at Risk of Converting to Market Rate
- Assist in the Development of Affordable Housing
- Promote Equal Housing Opportunity
- Support a Continuum of Care System for the Homeless
- Provide for New Community Facilities and Improve the Quality of Existing Community Facilities to Serve Those of Low and Moderate Income and/or with Special Needs
- Provide Needed Community and Supportive Services to Those of Low and Moderate Income and/or with Special Needs
- Provide for Needed Infrastructure Improvements in Low and Moderate Income Areas
- Provide for Necessary Planning Activities to Develop and Implement Both Housing and Community Development Plans to Address Anticipated Needs

In addition, the City has incorporated outcome measures for activities in accordance with the Federal Register Notice dated March 7, 2006, which requires the following Performance Measure Objectives/Outcomes to be associated with each activity:

General Objective Categories

Activities will meet one of the following:

- Decent Housing (DH)
- A Suitable Living Environment (SL)
- Economic Opportunity (EO)

General Outcome Categories

Activities will meet one of the following:

- Availability/Accessibility (1)
- Affordability (2)
- Sustainability (3)

Based on these priorities, the projects to be funded and objectives and outcomes anticipated during FY 2009-2010 are shown in Table 1 below.

General Questions

1. *Describe the geographic areas of the jurisdiction (including areas of low income families and/or racial/minority concentration) in which assistance will be directed during the next year. Where appropriate, the jurisdiction should estimate the percentage of funds the jurisdiction plans to dedicate to target areas.*
2. *Describe the basis for allocating investments geographically within the jurisdiction (or within the EMSA for HOPWA) (91.215(a)(1)) during the next year and the rationale for assigning the priorities.*
3. *Describe actions that will take place during the next year to address obstacles to meeting underserved needs.*
4. *Identify the federal, state, and local resources expected to be made available to address the needs identified in the plan. Federal resources should include Section 8 funds made available to the jurisdiction, Low-Income Housing Tax Credits, and competitive McKinney-Vento Homeless Assistance Act funds expected to be available to address priority needs and specific objectives identified in the strategic plan.*

FY 2009-2010 Action Plan General Questions response:

1. The City encompasses an area of approximately 14.2 square miles and the City's current population of 97,934 makes it the sixth most populated jurisdiction in the region and the largest city in East County. El Cajon is located 15 miles east of the City of San Diego. El Cajon is a diverse residential, commercial and industrial area and serves as the main commerce center for several surrounding communities. Gillespie Field, a general aviation airport, is a major contributing factor to the City's vibrant industrial development. EL Cajon includes a cross-section of housing types: lower cost mobile homes, apartments, moderately priced condominiums and high cost single-family homes. The City's name in Spanish for "big box" is descriptive of its geographic setting in a boxlike valley.

A concentration of lower income residents exists on the valley floor, surrounded by higher income and lower density residential areas. Several CDBG and HOME activities are available citywide, but the predominant focus areas are the neighborhoods within the downtown area. There are a few block groups with concentrations of minorities slightly higher than the County averages, but these block groups are scattered and do not constitute a specific geographic area that could be defined by race or ethnicities (see Figure 1 in the Five-Year Strategic Plan for the low and moderate income block groups in the City on page CP-37).

For FY 2009-2010, the City will be funding community facility improvement projects located primarily in low and moderate income areas. Public service projects will benefit low and moderate income and special needs persons citywide. Affordable housing projects/programs will also assist low and moderate income households citywide.

2. As the valley floor has the highest concentration of lower income residents, all but a very few projects and programs are focused in this area (exceptions include city-wide projects such as the first time homebuyers program, housing rehabilitation, senior services and fair housing activities).
3. The greatest obstacle to meeting underserved needs is the ongoing reduction of resources directed to assist those needs. Leveraging, to the greatest possible extent, will continue.
4. A variety of resources will be made available to assist in addressing the needs identified in this plan.

The entitlements are as follows: \$1,249,257 for CDBG and \$849,703 for HOME. In addition, the City has carried over funds from prior years in the amount of \$902,547 in CDBG funds and \$477,271 in HOME funds.

Program income for CDBG and HOME programs are also expected from loans repaid. As additional projects are identified and funded, amendments to this Plan will be submitted as required and appropriate.

As part of President Obama's 2009 American Recovery and Reinvestment Act (ARRA), the City of El Cajon will be receiving an additional \$335,286 in CDBG funds and \$512,686 in Homeless Prevention funds for FY 2008-09. The guidelines for expending these funds have not been released yet. The City will amend its FY 2008-09 Action Plan once the eligibility and intended uses of these funds are determined.

Mortgage Credit Certificates provide first-time homebuyer assistance through an IRS program. Administered regionally in the San Diego area (all jurisdictions in San Diego County with the exceptions of the cities of San Diego and Oceanside, pool their resources). The City of El Cajon has benefited through this pooling arrangement and will continue to participate in the program

An issuance of bond in non-housing redevelopment funds occurred back in March 2007. The net amount to the Redevelopment Agency was \$15,165,108.90. These funds will continue to be used for a variety of capital improvement and economic development projects in the downtown area over a period of years. Redevelopment (tax increment) funds are also available to assist in addressing the needs identified in this plan.

Managing the Process

1. *Identify the lead agency, entity, and agencies responsible for administering programs covered by the consolidated plan.*
2. *Identify the significant aspects of the process by which the plan was developed, and the agencies, groups, organizations, and others who participated in the process.*
3. *Describe actions that will take place during the next year to enhance coordination between public and private housing, health, and social service agencies.*

FY 2009-2010 Action Plan Managing the Process response:

1. The El Cajon Redevelopment and Housing Department serves as the lead agency in the preparation of the One Year Action Plan. Additionally, the City contracts with the Center for Social Advocacy (formerly known as Heartland Human Relations and Fair Housing Association) for administration of the Fair Housing Program. The Housing Authority of the County of San Diego administers the Section 8 program for the City.

In 2009, the City conducted a Community Development Needs Survey as part of the development of the 2009-2014 Consolidated Plan. In El Cajon, the top ranking community development needs are:

- Fire Stations and Equipment
- Anti-Crime Programs
- Neglected and Abused Children's Center and Services
- Park and Recreation Facilities
- Youth Centers
- Youth Activities
- Libraries
- Graffiti Removal
- Job Creation and Retention
- Health Care Facilities
- Street Lighting

The City coordinates with local social service providers and adjacent governmental agencies to provide needed housing and community development services to area residents.

The City meets with representatives from other CDBG entitlement jurisdictions in San Diego and Imperial Counties on a regular basis. One ongoing issue is to develop a collaborative system for the administration of CDBG funding to ease the administration of CDBG requirements for non-profit and other recipients. The City will also continue to assist county, state, federal, education and private organizations involved in economic development and job training in targeting their efforts toward those areas of El Cajon exhibiting the greatest need.

2. The City maintains a contact list of interested potential applicants. A week prior to the availability of applications, a letter was sent to every agency on the contact list announcing the process, in addition to notices in the local newspaper and the City website. Applications were received from six non-profit agencies. All applications were eligible for projects or activities and all six were granted funding. Applicants included the following agencies: Center for Social Advocacy and Fair Housing, Chase Avenue Clinic, Crisis House, Meals on Wheels, Set Free Baptist Ministries, and El Cajon Community Development Corporation. The agencies allocated CDBG and/or HOME funds are listed in Table 1. Additionally, various City departments requested funds for eligible projects. Staff is pro-active in providing technical assistance prior to a formal request for funds to ensure that non-eligible requests are not forwarded.
3. The City coordinates with local social service providers and adjacent governmental agencies to provide needed housing and community development services to area residents.

2. *Provide a summary of citizen comments or views on the plan.*
3. *Provide a summary of efforts made to broaden public participation in the development of the consolidated plan, including outreach to minorities and non-English speaking persons, as well as persons with disabilities.*
4. *Provide a written explanation of comments not accepted and the reasons why these comments were not accepted.*

**Please note that Citizen Comments and Responses may be included as additional files within the CPMP Tool.*

FY 2009-2010 Action Plan Citizen Participation response:

1. As part of the City's Community Development Block Grant (CDBG) program, El Cajon adopted a Citizen Participation Plan (CPP) pursuant to HUD regulations and adheres to the citizen comment procedures established in the CPP. Residents were given timely notices of public hearings held for the Housing Element and Consolidated Plan. Residents were also given a 30-day period to review the draft Plan.

The City of El Cajon allowed adequate, timely notification of all public meetings. The two public meetings held during the Consolidated Plan process were advertised in the newspaper.

3. The City of El Cajon made every effort to respond to all relevant comments.

Institutional Structure

1. *Describe actions that will take place during the next year to develop institutional structure.*

FY 2009-2010 Action Plan Institutional Structure response:

1. The institutional structure was modified in 2004. The Department of Redevelopment and Housing was created by combining the former Housing Division of the Community Development Department with the Redevelopment Agency.

Staff members of the Redevelopment and Housing Department continue to attend appropriate training sessions as available. The City continues to provide operational assistance to El Cajon Community Development Corporation, a CHDO/CBDO.

Monitoring

1. *Describe actions that will take place during the next year to monitor its housing and community development projects and ensure long-term compliance with program requirements and comprehensive planning requirements.*

FY 2009-2010 Action Plan Monitoring response:

Monitoring should be directed toward programmatic, financial and regulatory performance. Primary objectives are (1) to ensure that subrecipients/CHDOs comply with all pertinent regulations governing their administrative, financial and programmatic operations; (2) to ensure subrecipients/CHDOs achieve their performance objectives within their program year and budget; and (3) to assess capabilities and/or any potential needs for training or technical assistance in these areas.

All Projects and Programs

1. Subrecipients/CHDOs are evaluated and monitored as part of the pre-award assessment. Evaluation of the nature of activity, proposed plan for carrying out activity, the organization's capacity to do the work, and the possibility of potential conflicts of interests are within the pre-award assessment, which may be mentioned in the staff report for the first public hearing.
2. Reports must be current prior to approval of any payment request. Reports may be monthly or quarterly, as mutually established between the City and the subrecipient/CHDO prior to contract execution. Report forms are provided to the

subrecipient/CHDO with the executed contract, to ensure that all required information is included.

3. Technical assistance will be provided as requested or with Subrecipients identified as inexpediences with CDBG/HOME/ADDI or with agency management.

CDBG Projects and Programs

1. Establish an Annual Monitoring Plan

Identify Subrecipients most likely to have serious problems and devote extra attention to them. This identification may be due to recent personnel turnover, past performance, or the nature of the particular project.

- a. Establish a schedule for on-site visits. Smaller Subrecipients or Subrecipients that have been monitored in the past and are managing well can be monitored through file evaluation.
- b. If on-site monitoring is deemed appropriate, conduct on-site monitoring with checklist. Conduct exit interview.
- c. Write subrecipient with findings, concerns and areas worthy of commendation. Provide deadlines for compliance with correcting deficiencies. Include positive feedback.

2. Single Audit Requirements

- a. Notify subrecipient in writing of requirements under the Single Audit Act.
- b. Review Audit Report. Letter of review sent to subrecipient. Assure all findings have been cleared by subrecipient.

HOME/ADDI Projects and Programs

Rental Projects

The City or its agent will:

1. Perform on site inspections to determine compliance with property standards no less than once every three years for projects containing one to four units; once every two years for projects containing five to 25 units; and once per year for projects with 26 or more units.
2. Verify tenant income via self-certification process on an annual basis. Every sixth year, full tenant income verification will be conducted.
3. Verify rents on HOME assisted units conform to current HOME rent limits.

Ownership Projects and Programs

1. The City will verify residency through an annual self-certification and a review of the current Tax Assessor's records. In the event that the unit is no longer owner-occupied, City staff will pursue recapture of HOME/ADDI funds.
2. In the event that the City receives a notice of default or notice of foreclosure for a single family residence, City staff will attempt to contact owner to determine the nature of default and if appropriate provide technical assistance and/or referral information; should a foreclosure occur, staff will pursue recapture of HOME/ADDI funds.

Lead-based Paint

1. *Describe the actions that will take place during the next year to evaluate and reduce the number of housing units containing lead-based paint hazards in order to increase the inventory of lead-safe housing available to extremely low-income, low-income, and moderate-income families, and how the plan for the reduction of lead-based hazards is related to the extent of lead poisoning and hazards.*

FY 2009-2010 Action Plan Lead-based Paint response:

1. The City informs residents applying for loans or grants through the Housing Rehabilitation Loan Program about the hazards of lead-based paint. The City will also continue to participate in the Rehabilitation Roundtable regional group. The group meets occasionally and is comprised of representatives from local jurisdictions that operate housing rehabilitation programs. A standing topic for these meetings is lead-based paint. Code enforcement and building inspectors will continue to identify lead-based paint hazards as part of their ongoing activities, if the scope of the complaint allows them into the unit, or if it is part of an ongoing investigation. The Building Division will continue to be alert to units that may contain lead-based paint. They will inform tenants and landlords as part of their inspections of the dangers of lead-based paint. The City will continue to distribute the brochures, Lead Based Paint, a Threat and Protect Your Family from Lead in Your Home. The City will continue to attend meetings and training on lead-based paint hazards.

Additionally, the City of San Diego obtained a grant from the State of California to improve enforcement of lead based paint abatement procedures. One requirement of the grant is to include surrounding jurisdictions and the City of El Cajon has been participating in these meetings.

In order to address the health risks to young children posed by lead-based paint in residential dwellings, the City has implemented the following guidelines for housing rehabilitation programs. This includes all ongoing rehabilitation programs:

Table 2: Lead-Based Paint Guidelines for Residential Rehabilitation

Lead Hazard Evaluation. A risk assessment, paint testing or a combination of these to determine the presence of lead-based hazards or lead-based paint in properties built prior to 1978

Lead Hazard Reduction. Activities designed to reduce or eliminate exposure to lead based paint hazards through methods including interim controls, standards treatments or abatement. The action taken will depend on the project costs as required under Subpart J.

Clearance. An activity conducted following lead-based paint hazard reduction activities to determine that the hazard reduction activities are complete.

- **Lead Hazard Evaluation.** A risk assessment, paint testing or a combination of these to determine the presence of lead-based hazards or lead-based paint in properties built prior to 1978.

- **Lead Hazard Reduction.** Activities designed to reduce or eliminate exposure to lead based paint hazards through methods including interim controls, standards treatments or abatement. The action taken will depend on the project costs as required under Subpart J.
- **Clearance.** An activity conducted following lead-based paint hazard reduction activities to determine that the hazard reduction activities are complete.

For rehabilitation projects, the City's policy is to isolate the cost of lead abatement in a forgivable third trust deed (3rd mortgage), as the lead abatement costs may exceed 100 percent of the loan-to-value ratio. That loan is forgiven upon the expiration of the affordability period found at 24 CFR 92.254(as)(4). For the first time homebuyer program, lead abatement is the responsibility of the seller, and the City will not participate in down payment/closing cost assistance on any house containing lead. Of the eight mobile home parks in which the City offers mobile home rehabilitation loans, five have been exempted from the lead requirements, as they are senior-only parks. The rehabilitation of individual units in the remaining three mobile home parks will be addressed per the chart found above. For FY 2009-2010, the City has set aside CDBG funds for the Mobile Home Rehabilitation Program.

HOUSING

Specific Housing Objectives

1. *Describe the priorities and specific objectives the jurisdiction hopes to achieve during the next year.*
2. *Describe how Federal, State, and local public and private sector resources that are reasonably expected to be available will be used to address identified needs for the period covered by this Action Plan.*

**Please also refer to the Housing Needs Table in the Needs.xls workbook.*

FY 2009-2010 Action Plan Specific Objectives response:

1. The City of El Cajon has been focusing resources and energy on increasing the homeownership rate within the City. As of the 2000 Census, only 40 percent of El Cajon residents were homeowners, a full 26 percent below the national level. Rehabilitation of housing for existing homebuyers is one of the two continuing areas of priority and focus. However, declining home prices and the increase in foreclosure rates within the City has forced staff to re-evaluate their priorities. Discussions about redesigning or adding new rehabilitation programs and/or activities are at the forefront. Such options explored thus far include: the rebirth of the Foreclosure Prevention Program (education, loan modifications and restructuring of debt), a partnership with local utility companies to implement energy efficient rehabilitation activities (offering potential rebate), and targeting new Mobile Home Parks within the City through an Advertising Campaign.

2. The following are activities to be pursued in FY 2009-2010 using CDBG and HOME funds:

Priority 1: Conserve and Improve Existing Affordable Housing

- a. **Residential Rehabilitation Programs:** The City offers assistance to rehabilitate housing for low and moderate income households.

Single-Family Housing Rehabilitation Loan Program: Loans are available to rehabilitate/repair single-family homes in the City of El Cajon for families earning 80 percent or less of the Area Median Income (AMI). This is a fully deferred, up to \$100,000 zero interest loan that becomes due and payable upon sale, rental, refinance, and transfer of the property. In addition to income restrictions, maximum property value restrictions apply. The homeowner must have owned the property for at least one year and have adequate equity in the home.

FY 2009-2010 Funding: HOME - \$347,256 (as part of pool of funds)

Mobile Home Rehabilitation Loan Program: The City provides up to \$20,000 to rehabilitate mobile homes located in eligible parks in the City of El Cajon. The mobile home owner must have owned their home for at least one year. The loans become due and payable upon sale, rental, refinance and transfer of the property.

FY 2009-2010 Funding: CDBG - \$261,138

Multi-Family Residential Rehabilitation: The City uses redevelopment set-aside and HOME funds to provide assistance to rehabilitate multi-family units.

FY 2009-2010 Funding: HOME - \$265,669 (as part of pool of funds)

Acquisition/Rehabilitation: The City uses HOME and redevelopment set-aside funds to acquire and rehabilitate single-family homes and resell those units to first-time homebuyers. This program is operated through El Cajon Community Development Corporation, CHDO.

FY 2009-2010 Funding: HOME - \$265,669 (as part of pool of funds)

Lend-A-Hand Day: Using Redevelopment housing set-aside funds, the El Cajon Community Development Corporation (ECCDC) targets a two-three block neighborhood in the downtown area. Working with property owners, tenants, Building Inspectors, Code Enforcement and Community Police Officers, a prioritized list of improvements is developed leading toward a single neighborhood clean-up day once each month. The location is changed every month.

Five-Year Objectives:

- Provide rehabilitation assistance to five owner units and ten mobile homes annually for a total of 75 owner units over five years.
- Distribute brochure materials throughout the community including City Hall, library, and key community locations.

One-Year Objectives:

- Rehabilitate ten mobile homes.
- Rehabilitate five single-family homes.
- Continue to explore new rehabilitation program and/or activities.
- Distribute brochure materials throughout the community including City Hall, library, and key community locations.

Performance Measures/Outcomes: Decent Housing (DH)/Availability (1)

- b. Lead-Based Paint Hazard Reduction:** Approximately 78 percent of the housing units in El Cajon were built prior to 1978. Based on the age of housing stock and household income, an estimated 5,831 older housing units with Lead-Based Paint in the City may be occupied by low and moderate income households (0-80 percent AMI).

FY 2009-2010 Funding: Included as part of rehabilitation programs

One-Year Objectives:

- Included as part of rehabilitation programs.

Performance Measures/Outcomes: Decent Housing (DH)/Availability (1)

Priority 2: Provide Homeownership Assistance to Low and Moderate Income Households

- a. First-Time Homebuyer Assistance:** The City of El Cajon offers two unique programs designed to assist first-time homebuyers purchase a new or existing single-family or condominium home in the City. The American Dream and California Dream First-Time Homebuyer Programs may utilize a combination of HOME and CalHome or redevelopment set-aside/tax increment funds for up to 30 percent, 40 percent or 50 percent of the purchase price for downpayment, plus up to \$5,000 for closing cost assistance. Pre-qualification by the City is required and restrictions do apply. Funds are available on a first-come, first-serve basis.

FY 2009-2010 Funding: HOME - \$265,667

Five-Year Objectives:

- Provide first-time homebuyer assistance from the HOME, CalHome, and redevelopment set-aside programs. Assist 10 first-time buyers annually for a total of 50 households over five years.

One-Year Objectives:

- Assist 10 first-time buyers annually.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)

- b. **Acquisition and Resale of Foreclosed Properties:** In an effort to stabilize neighborhoods, preserve the affordable housing stock, and promote homeownership, the City intends to allocate the 15 percent HOME CHDO set-aside funds to an eligible CHDO for the acquisition, rehabilitation and resale of vacant foreclosed properties to low-income households.

FY 2009-2010 Funding: CHDO Reserve - \$113,858

Five-Year Objectives:

- Based on funding availability and allocations, through an eligible CHDO, anticipate assisting not less than three low income households per year for a total of not less than 15 households over five years.

One-Year Objectives:

- Establish agreement with CHDO to begin implementation of program.
- Assist three households as funding permits.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)

- c. **Foreclosure Prevention:** The City is in the process of establishing a Foreclosure Prevention Program.

One-Year Objectives:

- Establish program and begin implementation in 2009.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)

- d. **MCC Program:** The City of El Cajon has participated with most of the other jurisdictions in San Diego County for the administration of the Mortgage Credit Certification Program (17 of the 19 jurisdictions pool the resources, only the cities of San Diego and Oceanside administer their own on a separate basis). The advantage of El Cajon with this arrangement was that properties inland are generally more affordable than coastal properties

One-Year Objectives:

- Continue to participate in the program and assist the County in promoting program use.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)

Priority 5: Assist in the Development of Affordable Housing

- a. **Non-Profit Housing Development Corporations:** Funding will be provided to the ECCDC for affordable housing development.

FY 2009-2010 Funding: CHDO Operating - \$37,952

Five-Year Objectives:

- Augment and refine the list of non-profit developers for purposes of coordinating their involvement in affordable housing development in the City.
- Assist in expanding capacity of CHDOs for affordable housing development and preservation.
- Meet with existing local non-profit groups periodically to coordinate the development of family and other types of affordable housing in El Cajon.

One-Year Objectives:

- Provide funding for ECCDC to expand capacity as a CHDO for affordable housing development and preservation.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)

- b. **Land Assemblage and Write-Down:** The Agency authorized staff on February 10, 2009 to initiate negotiations with Weiland Development Company for the use of low and moderate-income housing funds for the acquisition of twenty-six (26) parcels on Birchwood Lane for development of affordable housing. The total development cost of the project is estimated at \$6,472,000 and Agency participation has been requested via a loan in the amount of \$2,950,000 for the acquisition of properties. Escrow to purchase the project site closed on March 20, 2009; Agency participation is an estimated 45.58 percent of the total development cost. In addition, \$477,271 in HOME funds will be made available for this project.

In exchange for Agency Participation, Weiland Development Company has agreed to sell all twenty-six (26) units to low and moderate income households, for which covenants will be recorded for not less than 45 years as required under Redevelopment Law. Agency funds will be returned through close of escrow and re-loaned to eligible homebuyers under current or modified First-Time Homebuyer Program parameters. All units will be designated on the recordable covenants as replacement units for loss of 15 Linda Way units.

FY 2009-2010 Funding: HOME - \$477,271

Five-Year Objectives:

- Facilitate land assemblage for affordable housing development. The City has identified the Downtown Specific Plan Area and Transit Center Area as target areas for higher density housing development. As these areas are within the El Cajon Redevelopment Project Area, the Redevelopment Agency may utilize redevelopment authorities to facilitate lot consolidation.
- Assist in the construction of 20 affordable units over five years.

One-Year Objectives:

- Assist in the land acquisition for the development of 26 affordable units, with potentially 11 units being assisted with HOME funds.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)**Priority 6: Promote Equal Housing Opportunity**

In order to make adequate provision for the housing needs of all economic segments of the community, the City must pursue actions that promote housing opportunities for all persons regardless of race, color, national origin, ancestry, religion, sex, familial status, marital status, age, disability, source of income, or sexual orientation.

- a. **Fair Housing:** The City of El Cajon contracts with the Center for Social Advocacy to provide a variety of fair housing and tenant/landlord services, including:

 - Responds to all citizen complaints regarding violations of the fair housing laws;
 - Provides tenant-landlord counseling to all inquiring citizens;
 - Promotes community awareness of tenant landlord rights and responsibilities;
 - Monitors housing legislation and reports to the City; and

- Assist 450 persons with fair housing services.

Performance Measures/Outcomes: Decent Housing (DH)/Availability (1)

Needs of Public Housing

1. *Describe the manner in which the plan of the jurisdiction will help address the needs of public housing and activities it will undertake during the next year to encourage public housing residents to become more involved in management and participate in homeownership.*
2. *If the public housing agency is designated as "troubled" by HUD or otherwise is performing poorly, the jurisdiction shall describe the manner in which it will provide financial or other assistance in improving its operations to remove such designation during the next year.*

FY 2009-2010 Action Plan Public Housing Strategy response:

1. The needs of public housing in the City of El Cajon are typically met by the Housing Authority of the County of San Diego. There is no public housing in El Cajon and the County administers Section 8 Rental Assistance to residents in need of affordable housing.
2. HACSD is not designated as a "troubled" agency by HUD. According to HACSD, the physical condition of its public housing stock is considered to be good. The units are inspected, repaired, and maintained on a regular basis. It is the goal of HACSD to maintain each home, whether the unit is a single-family residence or in an apartment complex.

Barriers to Affordable Housing

1. *Describe the actions that will take place during the next year to remove barriers to affordable housing.*

FY 2009-2010 Action Plan Barriers to Affordable Housing response:

1. The City of El Cajon's primary problem with affordable housing is in the ownership sector. The City's housing stock consists of over 50 percent of the units being constructed as rental housing. That amount, plus the portion of ownership units (condominiums and single-family detached houses) that are used as rental properties by investors, produced a homeownership rate within the City as 40.5 percent according to the 2000 Census. This is a full 26 percent below the national average homeownership rate.

Historically, in this region the greatest barrier to affordable ownership is the price of housing. The City's First-Time Homebuyer program provides 30, 40 or 50 percent of the purchase price as a silent second to income eligible applicants (the varying percentage amounts correspond to the income levels – 50 percent of the purchase price is available to families earning at or below 50 percent of the area median income level). In recent months, the housing market has come to a halt due to the lending crisis. Few developers are pursuing new development projects. The recent decrease in home prices has opened up opportunities for first-time homebuyers.

The City anticipates facilitating homeownership among low and moderate income households through its First-Time Homebuyer program.

The First-Time Homebuyer program has two funding sources: HOME funds for families earning up to 80 percent of area median income and redevelopment funds (low and moderate income housing set-aside funds) assist families earning up to 120 percent of AMI.

The City has extensively revised its condominium conversion policies and relaxed many previously existing requirements. Since 2002, the City Council has approved the conversion of 3,239 apartments into condominiums. Of these, 1,452 have completed the conversion process and are eligible to be sold. The number of units that have been made available for is not trackable by the City. The City's First-Time Homebuyer program funds are eligible to assist in the purchase of a converted unit. The existing tenants have the first right of refusal.

HOME/ American Dream Down payment Initiative (ADDI)

1. *Describe other forms of investment not described in § 92.205(b).*
2. *If the participating jurisdiction (PJ) will use HOME or ADDI funds for homebuyers, it must state the guidelines for resale or recapture, as required in § 92.254 of the HOME rule.*
3. *If the PJ will use HOME funds to refinance existing debt secured by multifamily housing that is that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under § 92.206(b). The guidelines shall describe the conditions under which the PJ will refinance existing debt. At a minimum these guidelines must:*
 - a. *Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.*
 - b. *Require a review of management practices to demonstrate that disinvestments in the property has not occurred; that the long-term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.*
 - c. *State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.*
 - d. *Specify the required period of affordability, whether it is the minimum 15 years or longer.*
 - e. *Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community.*
 - f. *State that HOME funds cannot be used to refinance multifamily loans made or insured by any federal program, including CDBG.*
4. *If the PJ is going to receive American Dream Down payment Initiative (ADDI) funds, please complete the following narratives:*
 - a. *Describe the planned use of the ADDI funds.*

- b. Describe the PJ's plan for conducting targeted outreach to residents and tenants of public housing and manufactured housing and to other families assisted by public housing agencies, for the purposes of ensuring that the ADDI funds are used to provide down payment assistance for such residents, tenants, and families.
- c. Describe the actions to be taken to ensure the suitability of families receiving ADDI funds to undertake and maintain homeownership, such as provision of housing counseling to homebuyers.

FY 2009-2010 Action Plan HOME/ADDI response:

1. The City does not anticipate receiving ADDI funds for FY 2009-2010. HOME funds will be used to support the City's First-Time Homebuyer program, residential rehabilitation, and new construction of affordable housing.
2. The following is reprinted from the HOMEOWNER'S REGULATORY AGREEMENT FOR HOME PROGRAM PARTICIPATION, which is recorded against the property at the close of escrow when HOME funds have been used to assist with the purchase.

Recapture of HOME and ADDI funds

Pursuant to 24 CFR 92.254(a)(ii), the City of El Cajon requires that HOME/ADDI funds be recaptured if the housing does not continue to be the principle residence of the family for the duration of the Period of Affordability. If all or any part of the Property or any interest in it is sold, rented, refinanced, conveyed or transferred (of if a beneficial interest in Borrower is sold, rented, refinanced, conveyed or transferred and Borrower is not a natural person), the Equity, as hereafter defined, in the Property shall be shared between the Borrower and the City on the following basis.

The maximum equity to be shared by the City shall not exceed the amount equal to the percentage of the value of the residence finances by the CalHome and HOME/ADDI Program Loan(s). That is, if the loan equals twenty percent of the **Original Purchase Price** of the residence, a maximum of twenty percent of the **Net Appreciation** may be charged by the City.

The following *example* assumes the following: (a) **Current Sales Price** or **Current Appraised Value** (as may be the case of refinance), in the example, of \$260,000, (b) **Original Purchase Price (OPP)** of \$180,000, (c) initial **Gross Appreciation** of \$80,000 (the Current Sales Price of \$260,000 minus the Original Price of \$180,000), (d) \$26,000 in closing costs (estimated at ten percent of the **Current Sales Price**), (e) initial **Net Appreciation** of \$54,000 and an equity share schedule based on the percentage of CalHome assistance of \$30,150 (16.75% of OPP) and HOME/ADDI assistance of \$14,850 + \$5,000 (11.03% of (OPP)) on an Initial Purchase Price of \$180,000. **The table is for the purpose of illustration only and will apply to any form of default of the City administered Programs. Actual sales price and net sales price will vary. The principal amount of the loans remains due and is in addition to any equity-share that may be owed to the City.**

Table 3: Sample First-Time Homebuyer Program Appreciation

# Months After Date of Agreement	Current Sales Price of Current Appraised Value (a)	Original Purchase Price (b)	Gross Appreciation (c) (difference of a-b)	Seller Closing Costs (d) (10% of Current Sales Price)	Net Appreciation (e) (c-d)	Seller's Equity Share of Net Appreciation (f) (72.22% of [e])	CalHome & City Equity Share of Net Appreciation (g) (27.78% of [e])	Principal Amount Due to City (h)	Total Amount due to City (g+h)
0-180	\$260,000	\$180,000	\$80,000	\$26,000	\$54,000	\$38,998	\$15,001	\$50,000	\$65,001
181 and thereafter	\$285,000	\$180,000	\$105,000	\$28,500	\$94,500	\$94,500	\$0	\$50,000	\$50,000

In this *example*, the finance charge/equity-share varies between \$0 and \$15,001.20 through year fifteen (15). Your amount will differ, depending upon gross sales price, net sales price, the amount of equity, the number of months after the date of agreement that the sale, transfer, rental or refinance occurs, etc.

In the event that no Net Appreciation exists at the time of transfer or sale, the CalHome and HOME/ADDI funds will still be due and payable. In the event that a negative Net Appreciation situation exists, and the full amount of the HOME/ADDI funds are not available to be recaptured, the amount of HOME/ADDI funds required to be repaid to the City will be as set forth in 24 CFR 92.254(a)(ii)(A)(3). The formulas are as follows:

$$\frac{\text{HOME/ADDI Investment} \times \text{Net Proceeds}}{\text{HOME/ADDI Investment} + \text{Homeowner Investment}} = \text{HOME/ADDI amount to be recaptured}$$

$$\frac{\text{Homeowner Investment} \times \text{Net Proceeds}}{\text{HOME/ADDI Investment} + \text{Homeowner Investment}} = \text{Amount to Homeowners}$$

Provided that the Borrower is not in default under the terms of the Note, the Note interest, equity share shall be forgiven in its entirety and interest in the equity of the Property shall be relinquished by the City fifteen (15) years from the date of the execution of the Note, as provided by the loan documents.

3. The City of El Cajon does not provide this type of assistance.
4. Due to the low funding amount at the national level, El Cajon does not meet the qualification threshold for ADDI funds in FY 2009-2010.

HOMELESS

Specific Homeless Prevention Elements

1. *Sources of Funds—Identify the private and public resources that the jurisdiction expects to receive during the next year to address homeless needs and to prevent homelessness. These include the McKinney-Vento Homeless Assistance Act programs, other special federal, state and local and private funds targeted to homeless individuals and families with children, especially the chronically homeless, the HUD formula programs, and any publicly-owned land or property. Please describe, briefly, the jurisdiction’s plan for the investment and use of funds directed toward homelessness.*
2. *Homelessness—In a narrative, describe how the action plan will address the specific objectives of the Strategic Plan and, ultimately, the priority needs identified. Please also identify potential obstacles to completing these action steps.*
3. *Chronic homelessness—The jurisdiction must describe the specific planned action steps it will take over the next year aimed at eliminating chronic homelessness by 2012. Again, please identify barriers to achieving this.*
4. *Homelessness Prevention—The jurisdiction must describe its planned action steps over the next year to address the individual and families with children at imminent risk of becoming homeless.*
5. *Discharge Coordination Policy—Explain planned activities to implement a cohesive, community-wide Discharge Coordination Policy, and how, in the coming year, the community will move toward such a policy.*

**Please also refer to the Homeless Needs Table in the Needs.xls workbook.*

FY 2009-2010 Action Plan Special Needs response:

1. The City of El Cajon receives only CDBG funds to address this issue. McKinney-Vento funds go to non-profit agencies, which in this area have formed a consortium that meets on a monthly basis. This consortium along with other committees, have proposed a Plan to End Chronic Homelessness in the San Diego Region. This Plan requires all jurisdictions to participate and identify available resources county-wide. Members are being recruited as outlined in “The Plan” to serve on the implementation team to oversee the Housing First – Housing Plus plan.

The San Diego Regional Task Force on the Homeless (RTFH) estimated a homeless population of 361 in El Cajon, of which 209 are not sheltered. The majority of the unsheltered homeless persons in El Cajon are the chronically homeless. El Cajon currently has two non-profits, Crisis Housing and Set-Free that serve the homeless population either through referral networks or motel vouchers.

2. The following are activities to be pursued in FY 2009-2010 using CDBG funds:

Priority 7: Support a Continuum of Care System for the Homeless

- a. **Continuum of Care for the Homeless** – Currently the City participates in a countywide effort under HUD’s SuperNOFA grants for supportive housing and continuum of care activities. The group, called the Regional Continuum of Care Consortium, is comprised of service providers, entitlement jurisdictions, faith-based groups and meets on a regular basis.
- b. **Homeless Services:** The following homeless services will be funded in FY 2009-2010.

Crisis House: Several years ago, the City acquired and renovated a building with CDBG funds. The building is leased to Crisis House, a non-profit agency, for \$1 per year. The facility is known as the Resource Center and Crisis House provides case management services to the homeless. Additionally, a cellular phone relay tower was installed on this property. The cellular phone company pays \$10,000 per year in rent. The full amount goes directly to Crisis House. The rental income with the \$1/year rent is the equivalent of \$70,000 per year in support to this agency for services to the homeless and near homeless. Additional funding is allocated to Crisis House to provide homeless services.

FY 2009-2010 Funding: CDBG - \$40,000

Set Free Motel Voucher Program: Set Free Baptist Ministries has been allocated CDBG funds in the past to assist with their motel voucher program. Several years ago this group purchased and renovated an older motel and restaurant on East Main Street to create a transitional living facility and establish a rehab program, all without any public assistance. All funds were privately raised. The City has allocated funding to pay for motel vouchers for homeless families and individuals either waiting for a spot to open up on a rehab program in the area, or just coming in off the street.

FY 2009-2010 Funding: CDBG - \$50,000

FESG: As an entitlement jurisdiction, the City is eligible to receive funding from the Federal Emergency Management (FEMA) to provide services for the homeless under FEMA’s Emergency Shelter Grant program. The City contributes its FESG funds to the County’s FESG Homeless Program, which uses United Way as the fiduciary agent and Catholic Charities as the prime contractor to provide emergency services for the homeless. Through the FESG and motel voucher program offered throughout the County, the City is able to offer vouchers.

Five-Year Objectives:

- Continue to participate in the San Diego County RTFH to assess the extent of homeless needs and to coordinate efforts in addressing the needs, including needs for the chronically homeless.

- Provide assistance to agencies serving the homeless and at-risk homeless, with the objective of assisting 200 homeless/at-risk homeless annually (1,000 over five years).

One-Year Objectives:

- Assist approximately 250 homeless persons with services through Crisis House and Set Free Baptist Ministries' motel voucher program.
- Continue to participate in the Regional Continuum of Care Consortium.
- Continue to participate in the County's FEMA Homeless Program.

Performance Measures/Outcomes: Suitable Living (SL)/Availability (1)

3. The City participates in the Regional Continuum of Care Consortium and the County's efforts in ending chronic homelessness by 2012. The Regional Continuum of Care Consortium coordinates services for the homeless to move people from homelessness to permanent housing. Chronically homeless persons require rehabilitation services, employment training and placement, health services, and case management to move from homelessness, to transitional housing, and then to supportive/permanent housing. The Continuum of Care Strategy coordinated by the County offers a range of services and facilities. The City supports the Consortium's strategy for constructing housing facilities that help transition chronically homeless persons to a stable housing situation and to receive supportive services that would improve their employment skills.
4. The City's various affordable housing programs and activities will help prevent homelessness in El Cajon. In addition, the City is in the process of developing a Foreclosure Prevention program. This program will potentially prevent households facing foreclosure from becoming homeless.
5. Not applicable. The City does not receive ESG funds.

Emergency Shelter Grants (ESG)

(States only) Describe the process for awarding grants to State recipients, and a description of how the allocation will be made available to units of local government.

FY 2009-2010 Action Plan ESG response:

Not applicable, as this section pertains to state governments receiving ESG funds and the City of El Cajon does not receive ESG Funds.

COMMUNITY DEVELOPMENT

**Note: Each specific objective developed to address a priority need, must be identified by number and contain proposed accomplishments, the time period (i.e., one, two, three, or more years), and annual program year numeric goals the jurisdiction hopes to achieve in quantitative terms, or in other measurable terms as identified and defined by the jurisdiction.*

The Housing and Community Development Needs Survey identified crime awareness, services for neglected youth and children, and general youth services as High Priority needs in the community. Youth services, particularly those for at-risk youth, are needed to provide youth with a positive direction in life. Community Oriented Policing programs offer opportunities for reducing crime and working with at-risk youth.

High Priority is assigned to anti-crime programs which are provided citywide, with a focus in the high crime areas -- Census Tracts 158, 162.02, and 163. Portions of these census tracts are low and moderate income areas (80 percent of AMI).

Medium Priority is assigned to providing employment training as part of the City's economic development/anti-poverty strategy. FY 2009-10 Action Plan HOPWA response:

Not applicable; the City of El Cajon does not receive or administer HOPWA funds.

Specific HOPWA Objectives

Describe how Federal, State, and local public and private sector resources that are reasonably expected to be available will be used to address identified needs for the period covered by the Action Plan.

FY 2009-10 Specific HOPWA Objectives response:

Not applicable; the City of El Cajon does not receive or administer HOPWA funds.

Other Narrative

Worst Case Needs

The City has identified senior, disabled and handicapped homeowners as those most in need of home repairs (i.e. worse case needs), and those least able to qualify for private financing to take care of their property repairs. The City's Residential Rehabilitation Program and Mobile Home Rehabilitation Loan Program seek to address the needs of residents with the fewest resources.

Percent CDBG Funds Benefiting Low and Moderate Income Persons

For FY 2009-2010, the majority of the City's CDBG allocation will be used to benefit low and moderate income persons, either through Low and Moderate Income Area (LMA) benefit or Low and Moderate Income Limited Clientele (LMC) benefit. The only exceptions are the fire station facility and ladder truck which will benefit the entire community. However, most census block groups in El Cajon are qualified low and moderate income block groups as well as 53 percent of the City's population.

Obstacles to Fair Housing

The City of El Cajon will contract with the Center for Social Advocacy for the provision of fair housing and landlord/tenant mediation services in FY 2009-2010. The Center for Social Advocacy will affirmatively further fair housing through public education workshops, counseling, conciliation, landlord/tenant mediation (including mobile parks), and other outreach services.

The City of El Cajon contracted with Veronica Tam and Associates, in conjunction with the other jurisdictions of San Diego County, to complete an Analysis of Impediments to Fair Housing in 2009. The Impediment Study provides a Five-Year Action Plan for the City to implement. The City will implement a strategy to correct or implement each of the recommended actions.

Fair housing services and education will be provided to 450 residents. Fair housing through comprehensive programs by providing workshops to rental housing providers, tenants, Realtors, City Staff and other community agencies to counter the lack of knowledge by landlords and tenants. They will also provide enforcement, investigation, case development and testing.

Rental Housing

The current average rental price in El Cajon, as of February 2009, is \$1,220. There are mostly two-bedroom units available (over 1,000 in the last 90 days) and significantly more apartments and condominiums or townhomes available rather than single-family homes.

Leveraging Funds

All CDBG-funded projects proposed for FY 2009-2010 will include leveraging of other resources, such as grants from Federal, State, and local governments, private foundations, capital development funds, general funds, private donations of funds or services, and other various funding sources.

Redevelopment set-aside funds are the primary source for leveraging or providing matching funds for the City's housing programs. According to State Redevelopment Law, Section 33334.2 of the Health and Safety Code, 20 percent of the tax increment from any redevelopment project area is to be set-aside for low and moderate-income housing programs.

Substantial Amendments

No substantial amendment to previous year Action Plan occurred in FY 2008-2009. However the City anticipates the need to amend the FY 2008-2009 Action Plan to address the use of CDBG and Homeless Prevention funds made available to the City of El Cajon through President Obama's 2009 American Recovery and Reinvestment Act. The City anticipates receiving an additional \$335,286 in CDBG funds and \$512,686 in Homeless Prevention funds for FY 2008-09. The guidelines for expending these funds have not been released. The City will amend its FY 2008-09 Action Plan once the eligibility and intended uses of these funds are determined.

Summary of Public Comments on Draft Action Plan

City Council Community Development Block Grant Public Hearing

February 24, 2009

The hearing was held as part of the process for completing the HUD required annual Consolidated Plan for funding for FY 2009-2010. The comments were as follows:

Crisis House, Sue Christopher

- The main focus of the organization has always been the City of El Cajon.
- The facility is located in a city owned building and has been providing services to the city and east county region for a long time.
- The poor economy is stretching the ability of the organization to provide for the increasing needy population.

Meals-on-Wheels, Stephanie Waltz

- The organization is requesting money only for the food service portion of their operation. They serve an average of 111 seniors each year and are also seeing an increase in those in need.

La Maestra Family Clinic, Sally Bayliss

- The clinic provides medical and dental services for the low-income refugee population in El Cajon. They opened the clinic in 2004 and have seen an increase in the population over the years.
- They are anticipating a large number of the 17,000 new Iraqi refugees that will soon be allowed to enter the U.S. will be in San Diego and because there is a large Chaldean population in El Cajon a good number of those entering the county this year will find their way to the City.
- 75% of their patients receive Medicare or Medi-Cal.

Family Health Center, Chase Avenue Clinic, Jeanette Lawrence

- They have created a new walk-in clinic and have seen their numbers increase by 12.5% this year.
- Approximately 60% of their patients are El Cajon residents and 32% are children.
- They are asking for money to remove some prickly types of plants at the entrance to the clinic and provide playground equipment for those children having to wait for appointments.

Set Free Ministries, Harold Brown

- The request is for vouchers for the newly homeless.
- In 2007 the organization kept 312 people off the street with the allocation provided by the City that year. The monies allocated will be used primarily for women and children.

APPENDIX TO CERTIFICATIONS**INSTRUCTIONS CONCERNING LOBBYING AND DRUG-FREE WORKPLACE REQUIREMENTS:****A. Lobbying Certification**

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

B. Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
7. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

City of El Cajon
Department of Redevelopment and Housing
200 Civic Center Way
El Cajon, CA 92020

Check if there are workplaces on file that are not identified here.

The certification with regard to the drug-free workplace is required by 24 CFR part 24, subpart F.

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).
