Fifth Program Year Action Plan

GENERAL

Executive Summary

The Executive Summary is required. Include the objectives and outcomes identified in the plan and an evaluation of past performance.

FY 2013-14 Action Plan Executive Summary:

The Fiscal Year 2013-14 One-Year Action Plan implements the fifth year of the 2009-2014 Five-Year Consolidated Plan and addresses the HUD consolidated planning requirements for the Community Development Block Grant (CDBG), HOME Investment Partnership Act (HOME), Emergency Solutions Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) programs. The City of El Cajon receives only CDBG and HOME funds directly.

This plan outlines the action steps that the City of El Cajon will use to address housing and community development needs in the City. The Plan includes a listing of activities that the City will undertake during FY 2013-14 (July 1, 2013, through June 30, 2014) that utilize CDBG and HOME funds. Use of other resources to leverage these federal entitlement grants is also discussed.

Priority Needs established in the 2009-2014 Five-Year Consolidated Plan, which form the basis for establishing objectives and outcomes in the FY 2013-14 One-Year Action Plan, are as follows:

- Priority 1. Conserve and Improve Existing Affordable Housing;
- Priority 2. Provide Homeownership Assistance to Low and Moderate Income Households;
- Priority 3. Provide Rental Assistance to Low and Moderate Income Households;
- Priority 4. Preserve Assisted Housing at Risk of Converting to Market Rate;
- Priority 5. Assist in the Development of Affordable Housing;
- Priority 6. Promote Equal Housing Opportunity;
- Priority 7. Support a Continuum of Care System for the Homeless;
- Priority 8. Provide for New Community Facilities and Improve the Quality of Existing Community Facilities to Serve Those of Low and Moderate Income and/or with Special Needs;
- Priority 9. Provide Needed Community and Supportive Services to Those of Low and Moderate Income and/or with Special Needs;
- Priority 10. Provide for Needed Infrastructure Improvements in Low and Moderate Income Areas; and
- Priority 11. Provide for Necessary Planning Activities to Develop and Implement Both Housing and Community Development Plans to Address Anticipated Needs.

In addition, the City has incorporated outcome measures for activities in accordance with the Federal Register Notice dated March 7, 2006, which requires the following Performance Measure Objectives/Outcomes to be associated with each activity:

General Objective Categories
Activities will meet one of the following:

- Decent Housing (DH)
- A Suitable Living Environment (SL)
- Economic Opportunity (EO)

General Outcome Categories
Activities will meet one of the following:

- Availability/Accessibility (1)
- Affordability (2)
- Sustainability (3)

In FY 2013-14, the City expects to receive \$919,889 in CDBG and \$350,196 in HOME entitlement funds to address the priorities and objectives identified in the Five-Year Consolidated Plan. In addition, approximately \$630,000 in CDBG and approximately \$590,000 in HOME funds will be carried over from previous years' allocations for projects/programs still in progress to continue addressing the needs identified.

Since FY 2013-14 allocations have not yet been announced, there is a strong possibility that the final allocations will change. The additional unknown amounts (if any) will be allocated as directed by the City Council in the April 23, 2013, public hearing and as set forth in this Action Plan for eligible projects and programs (see Table 1 and Notes).

Program income funds from the repayment of outstanding loans in both CDBG and HOME programs are also expected to be received during the year in the estimated amounts of \$10,000 for HOME and \$1,000 for CDBG. Program income received from the repayment of Rehabilitation (CDBG and HOME) and First-Time Homebuyer (HOME) loans will automatically be re-programmed for loan activities in those same or similar programs from which the funds were originally provided to the extent possible. If additional program income funds are received that are not automatically re-programmed, specific projects will be identified and amendments to this Action Plan will be prepared and submitted in accordance with the City's adopted Citizen Participation Plan.

Based on the identified priorities and availability of funds, the projects to be funded and objectives and outcomes anticipated during FY 2013-14 are shown in Table 1 below.

Note 1: CDBG HOUSING REHABILITATION PROGRAM:				
<ul style="list-style-type: none"> a) The Housing Rehabilitation Program activity will receive any excess CDBG funds once the actual allocation from HUD is known, up to the grant balance, after maximizing 20% for CDBG Administration (see Note 4 below); and b) The Housing Rehabilitation Program activity will receive 80% of CDBG program income received during the year that is generated from previous CDBG housing activities. 				
Note 2: HOME HOUSING PROGRAMS:				
<ul style="list-style-type: none"> a) The Housing Program Pool of Funds will receive excess HOME funds once the actual allocation from HUD is known up to the grant balance, after adjusting for the 15% CHDO Set Aside Reserve (see Note 3 below) and maximizing the 10% for HOME Administration (see Note 4 below). b) The Housing Program Pool of Funds will receive 90% of HOME program income received during the year that is generated from previous similar HOME housing activities. c) HOME funds will be transferred from the Housing Programs Pool of Funds to/between the various housing activities on an as-needed basis based on market conditions and demands including: the Single-Family Rehabilitation, the Mobile Home Rehabilitation/Replacement, the Multi-Family Residential Rehabilitation and/or the First-Time Homebuyers Programs, and others as identified through amendments to this Action Plan. 				
Note 3: CHDO SET ASIDE RESERVE: The required HOME CHDO set aside allocation will be increased or decreased to 15% of the actual HOME total allocation per the regulations, once the actual allocation from HUD is known.				
Note 4: CDBG AND HOME ADMINISTRATION:				
<ul style="list-style-type: none"> a) The CDBG and HOME Administration funds will be increased or reduced to the maximums allowed by the regulations (20% for CDBG; 10% for HOME) once the actual allocations from HUD are known. b) The CDBG and HOME Administration funds will receive the maximum percentages of program income received during the year as allowed by the regulations (10% of eligible program income for HOME; 20% of program income for CDBG). 				

General Questions

1. *Describe the geographic areas of the jurisdiction (including areas of low income families and/or racial/minority concentration) in which assistance will be directed during the next year. Where appropriate, the jurisdiction should estimate the percentage of funds the jurisdiction plans to dedicate to target areas.*
2. *Describe the basis for allocating investments geographically within the jurisdiction (or within the EMSA for HOPWA) (91.215(a)(1)) during the next year and the rationale for assigning the priorities.*
3. *Describe actions that will take place during the next year to address obstacles to meeting underserved needs.*
4. *Identify the federal, state, and local resources expected to be made available to address the needs identified in the plan. Federal resources should include Section 8 funds made available to the jurisdiction, Low-Income Housing Tax Credits, and competitive McKinney-Vento Homeless Assistance Act funds expected to be available to address priority needs and specific objectives identified in the strategic plan.*

FY 2013-14 Action Plan General Questions response:

1. The City encompasses an area of approximately 14.2 square miles and the City's current estimated population of 100,116 makes it the sixth-most populous jurisdiction in the region and the largest city in East County. El Cajon is located 15 miles east of the City of San Diego. El Cajon is a diverse residential, commercial and industrial area and serves as the main commerce center for several surrounding communities and the unincorporated areas. Gillespie Field, a general aviation airport, is a major contributing factor to the City's vibrant industrial development. El Cajon includes a cross-section of housing types: lower cost mobile homes, apartments, moderately priced condominiums and moderate- to high-cost single-family homes. The City's name in Spanish means "big box" and is descriptive of its geographic setting in a boxlike valley.

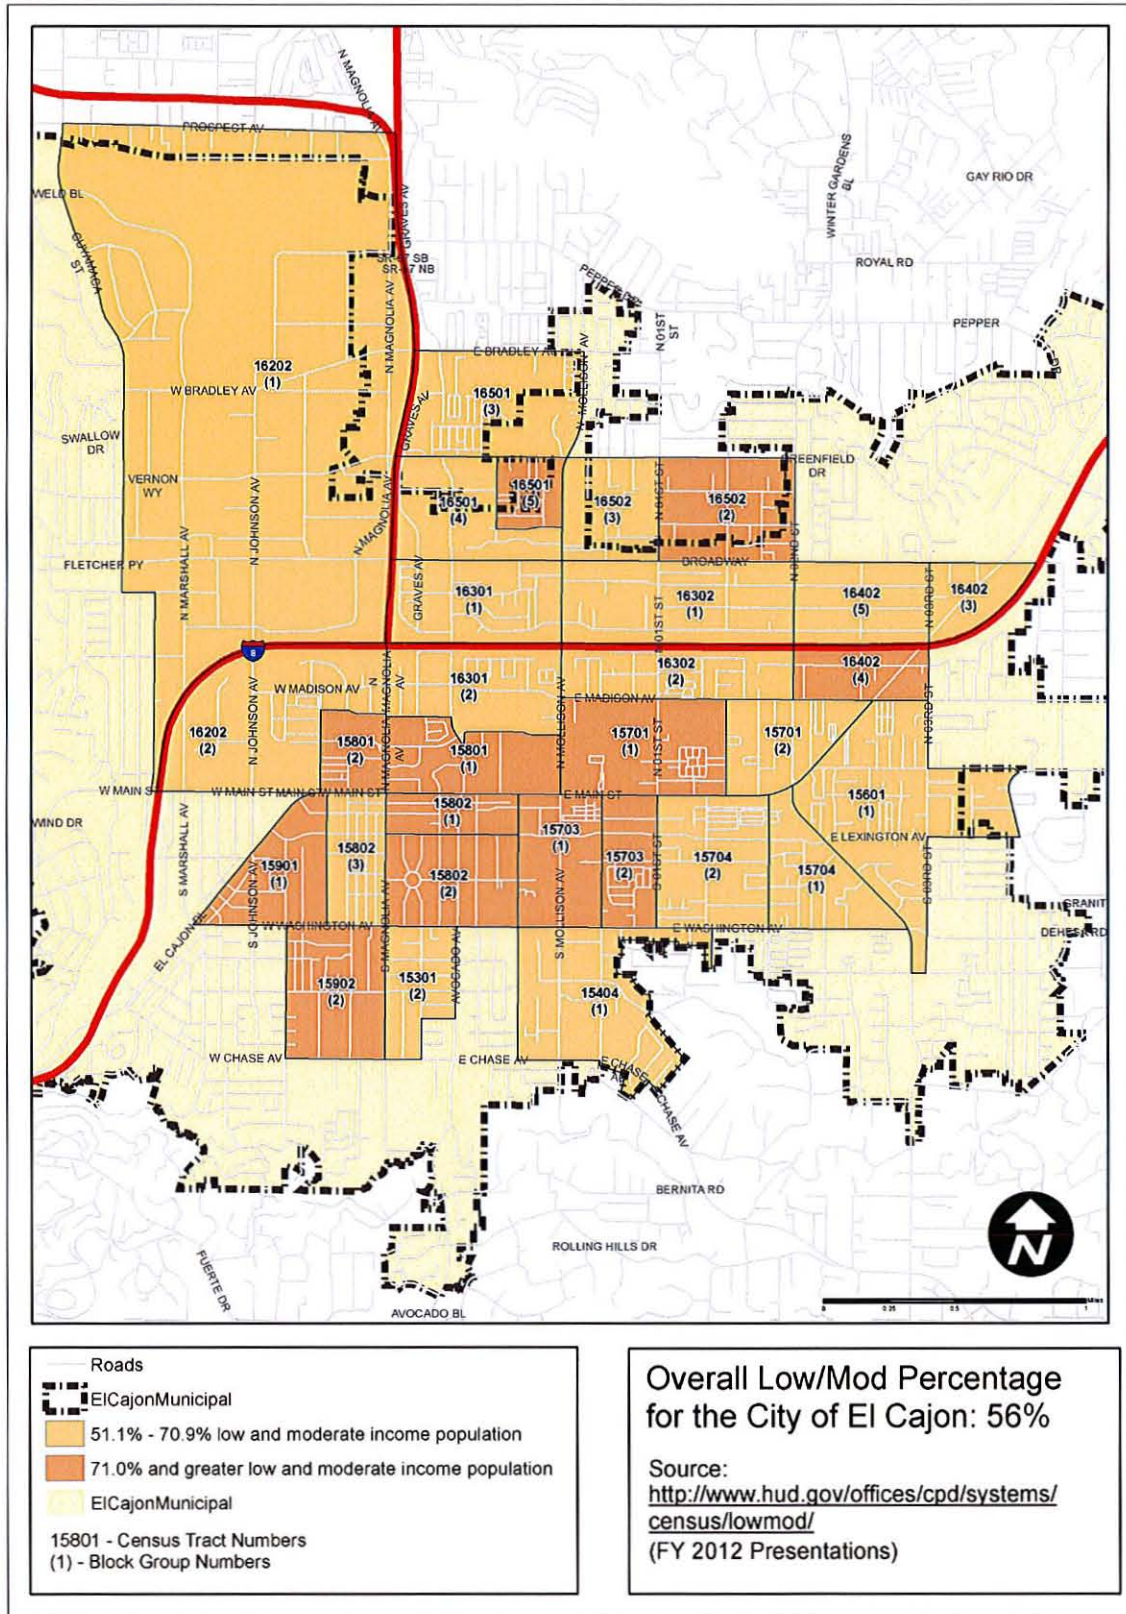

Low and Moderate Income Summary Data released by HUD for FY 2012 participation (the latest available) shows that **overall 56%** of the population of the City of El Cajon earns at or below 80% of the Area Median Income. However, a concentration of lower income residents exists on the valley floor, surrounded by higher income and lower density residential areas (see Figure 1 – Low and Moderate Income Areas, page AP-8). Many of the proposed CDBG and HOME activities serve beneficiaries citywide (such as programs for the homeless, the disabled, seniors and improvements to public facilities for ADA accessibility). However wherever possible, the predominant focus is directed to the low-income neighborhoods and block groups within the City's central core. There are a few block groups with concentrations of minorities slightly higher than the County averages, but these block groups are scattered and do not constitute a specific geographic concentration that could be defined by race or ethnicities.

For FY 2013-14, the City will expend \$365,223 to design and construct improvements to community facilities designed to benefit all disabled residents of the City (Council Chambers ADA Improvements and ADA Curb Ramps Program). Further, the City will expend \$155,701 to improve privately-owned public facilities serving low/mod individuals and families (East County Transitional Living Center's Parking Lot Repavement project, Boys & Girls Clubs' Restrooms and Gym Renovations project, and Home of Guiding Hands Facility Improvements to Four Group Homes for the Developmentally Disabled).

All of the public service projects selected will benefit low- and moderate-income and special-needs persons citywide. The City will expend \$59,982 in CDBG funds to provide a community policing program and activities that will benefit predominantly low-income areas and persons (Crime-Free Multi-Housing Program). In addition, the City will expend \$18,001 for programs to benefit low- and extremely-low income seniors throughout the city (Meals on Wheels and Angel's Depot), \$50,000 to shelter homeless individuals and families, and \$10,000 for an employment training program to benefit the disabled. Further, the City will expend \$262,647 in HOME funds for affordable housing projects/programs that will directly assist low- and moderate-income households citywide.

As the valley floor and the central core of the City have the highest concentration of lower-income residents, when possible projects and programs are located in and focused upon this area. However, the majority of projects are available to low/mod residents and special populations throughout the entire city such as the First-Time Homebuyers Program, Housing Rehabilitation Programs, projects including ADA improvements serving the disabled, and those serving seniors and the homeless. Fair housing services are available to all citizens of El Cajon.

Figure 1 – City of El Cajon Low and Moderate Income Areas
(Source: 2000 Census)

2. As stated above, Low and Moderate Income Summary Data released by HUD for FY 2012 participation (the latest available) shows that **overall 56%** of the population of the City of El Cajon earns at or below 80% of the Area Median Income. Many of the proposed CDBG and HOME activities serve beneficiaries citywide (such as programs for seniors, the homeless, and improvements to public facilities for ADA accessibility). However wherever possible, the predominant focus is directed to the low-income neighborhoods and block groups within the City's central core.
3. The greatest obstacle to meeting underserved needs is the ongoing severe reduction of resources (including CDBG, HOME and local resources) directed to assist those needs. Leveraging, to the greatest extent possible, will continue.
4. A variety of resources will be made available to assist in addressing the needs identified in this plan.

Federal Resources:

As noted above, the City expects to receive \$919,889 in **CDBG** and \$350,196 in **HOME** entitlement funds to address the priorities and objectives identified in the Five-Year Consolidated Plan. In addition, approximately \$630,000 in CDBG funds and approximately \$589,000 in HOME funds will be carried over from previous years' allocations for projects/programs still in progress to continue addressing the needs identified.

Since FY 2013-14 allocations have not yet been announced, until the grant agreements are executed, there remains the possibility that the final allocations will change. Additional funds awarded after completion of this Action Plan will be allocated as directed by the City Council in the April 23, 2013, public hearing and as set forth in this Action Plan for eligible projects and programs (**see Table 1 and accompanying Notes**).

Program income funds from the repayment of outstanding loans in both CDBG and HOME programs vary greatly from year to year. Program income is expected to be received during FY 2013-14 in amounts of approximately \$10,000 for HOME and \$1,000 for CDBG. Program income received from the repayment of Rehabilitation (CDBG and HOME) and First-Time Homebuyer (HOME) loans will automatically be re-programmed for loan activities in those same or similar programs from which the funds were originally provided (CDBG or HOME) to the extent possible. If additional program income funds are received that are not automatically re-programmed, specific projects will be identified and amendments to this Action Plan will be prepared and submitted in accordance with the City's adopted Citizen Participation Plan.

The Housing Authority of the County of San Diego (HACSD) administers the Section 8 Housing Choice Voucher program on behalf of most of the cities in the region, including the City of El Cajon. This program provides rent subsidy payments for very low income households in privately-owned rental housing units. It is anticipated that just over \$100 million in Section 8 funds will be used to assist nearly 11,000 households throughout the County. Of these households, approximately 2,600 households (24%) are assisted annually with Section 8 Housing Choice Vouchers in the City of El Cajon.

Each year, HUD awards two types of homeless assistance grants to organizations across the country. First, the Department awards Continuum of Care (CoC) grants competitively that fund transitional housing, permanent housing, and supportive services. The CoC grants include funds for the Supportive Housing Program (SHP) and the Shelter Plus Care Program (S+C). The SHP Program is the primary federal program supporting transitional housing for the homeless. SHP funds provide transitional housing and support services to assist homeless persons in the transition from streets and shelters to permanent housing and maximum self-sufficiency. The SHP program is a critical source of funding for El Cajon's Continuum of Care. The S+C Program provides rental assistance for permanent housing choices in connection with supportive services. The Regional Continuum of Care Council (RCCC), comprised of representatives of the 18 cities and the County of San Diego, non-profit service providers, and other interested parties, has been very successful in competing for SHP and S+C funds in San Diego County. In FY 2012-13, over \$15 million was awarded to the various agencies in San Diego County through the RCCC's application for these funds. A similar amount is expected to be awarded in FY 2013-14 to various agencies and their partners through the RCCC with the County as lead agency.

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) amended the McKinney-Vento Homeless Assistance Act, including major revisions to the Emergency Shelter Grants program, now the Emergency Solutions Grants (ESG) program. The ESG Program is the second type of homeless assistance grant provided by HUD which provides funds by formula for homeless prevention and emergency assistance. The ESG program is designed as the first step in the Continuum of Care, identifying sheltered and unsheltered homeless persons as well as those at risk of homelessness, and providing emergency shelter and services necessary to help those persons quickly regain stability in permanent housing. In the San Diego region, only the City of San Diego, the County of San Diego, and the City of Chula Vista are eligible to receive ESG grant funds. Together these agencies received a total of \$1,492,435 in two rounds in FY 2011-12. Awards have not yet been announced for FY 2012-13 but a similar amount is expected to be awarded to these government agencies and their partners.

Mortgage Credit Certificates provide first-time homebuyer assistance through an IRS program. Administered regionally in the San Diego area, all jurisdictions in San Diego County with the exceptions of the Cities of San Diego and Oceanside pool their resources. The City of El Cajon has benefited through this pooling arrangement and will continue to participate in the program.

State Resources:

Federal and state tax credits are used by developers of multi-family housing in return for reserving a portion of the development for moderate, low and very low income households at affordable rents. These Federal and state tax credits are allocated by the State based on a priority scoring system. Over the years, several nonprofit organizations, assisted with City HUD Program funds, have received LIHTC funds. The City will continue to encourage organizations to apply and utilize these funds. Most recently, LIHTC credits were awarded to the Solterra/Chambers Senior Residences Development project in El Cajon in June of 2011. The Solterra project is a 49-unit new construction project targeting very-low income seniors. Located near the downtown area with access to public transportation, this project will bring new life

to an aging area with exciting architecture, community access to the patio/gardens, while still providing mixed-use office/retail components to support senior needs. The former El Cajon Redevelopment Agency (Agency) also committed \$4,500,000 in Low and Moderate Income Housing Asset Funds (LMIHAF). A Groundbreaking Ceremony was held in April of 2012 and construction is nearing completion with full occupancy expected in April 2013.

The CalHome Program is a competitive application process that provides funds to local public agencies and non-profit organizations for deferred-payment mortgage assistance loans for low-income first-time homebuyers or for owner-occupied rehabilitation. In March of 2013, the City of El Cajon applied to the State of California for \$735,000 in CalHome funds. Announcements are expected in June of 2013. If awarded the funding, the City will use its CalHome funds to supplement the City's HOME funds in the American Dream First-time Homebuyer Program. The funds will work together to the greatest extent possible to increase affordability for very low-income homebuyers.

Local Resources:

In March of 2011, anticipating the elimination of redevelopment agencies and re-distribution of tax increment funding in California, the City Council established and activated the El Cajon Housing Authority, a new agency. In January of 2012, the Housing Authority adopted a resolution to become the successor agency for the housing assets acquired or assisted with LMIHAF by the former El Cajon Redevelopment Agency, including a \$11.3 million housing loan portfolio. Although new LMIHAF from tax increment funding will no longer be available, the El Cajon Housing Authority now has responsibility for determining the direction and focus of all income generated from original LMIHAF and has the capacity for developing affordable housing directly in conjunction with other available sources of funds. In addition, in FY 2012-13, the City's One-Year Action Plan was amended to include an award of \$505,000 in HOME funds (\$500,000 plus \$5,000 for project costs) for the acquisition of a multi-family affordable rental property by the El Cajon Housing Authority. The HOME funds were leveraged with over \$600,000 in LMIHAF funds. The project will restrict approximately 10 new units for low-income affordable housing.

A plan for the use of additional income generated from LMIHAF housing assets, including specific goals, objectives and activities, is currently under development.

In the past, the City leveraged its redevelopment and LMIHAF funds to address many of the goals and objectives of the Consolidated Plan. The elimination of redevelopment agencies and tax increment funding in California has seriously depleted the resources available to develop affordable housing and increase homeownership. However, as resources become available, the City and the Housing Authority will continue to leverage HOME and LMIHAF funds with those and other funding sources to the greatest extent possible.

Managing the Process

1. *Identify the lead agency, entity, and agencies responsible for administering programs covered by the consolidated plan.*
2. *Identify the significant aspects of the process by which the plan was developed, and the agencies, groups, organizations, and others who participated in the process.*
3. *Describe actions that will take place during the next year to enhance coordination between public and private housing, health, and social service agencies.*

FY 2013-14 Action Plan Managing the Process response:

1. The El Cajon Community Development Department, Housing Division serves as the lead agency in the preparation of the One Year Action Plan and administration of the HOME and CDBG programs. The Division also acts as staff liaison and support for the City of El Cajon as successor agency to the El Cajon Redevelopment Agency, and to the El Cajon Housing Authority. Additionally, the City contracts with CSA San Diego County for administration of its Fair Housing Program.
2. The City's process for development of the FY 2013-14 Action Plan included coordinating with local non-profit service providers, other City departments, the Regional Continuum of Care Council, non-profit housing developers, and adjacent governmental agencies to identify emerging trends and needs, and to seek information about services that are available to East County residents that address the priority needs of the Consolidated Plan. In addition, the City published a Notice of Funds Available (as well as mailing out the Notice to interested parties) seeking applications for community development projects for FY 2013-14. Two public meetings were held during the FY 2013-14 One-Year Action Plan process for which citizen input was sought and a 30-day public comment period was available. Notice of the hearings and comment period were advertised multiple times in local newspapers, and all Notices of the hearings and other activities were placed on the City's website, posted in kiosks at City Hall and posted at the City's two public libraries. The Notices also included the contact information of staff available to answer questions.

The City also met with representatives from other CDBG and HOME entitlement jurisdictions in San Diego and Imperial Counties on a regular basis to share resources, and to identify and address common issues.

Further, the City participated actively with the Fair Housing Resources Board, consisting of City representatives, HUD representatives and fair housing service providers in San Diego County to identify and address issues related to furthering fair housing and the development and implementation of the recommendations set forth in the Regional Analysis of Impediments to Fair Housing.

The City will also continue to meet with and assist county, state, federal, education and private organizations involved in economic development and job training in targeting their efforts toward those areas of El Cajon exhibiting the greatest need, when the opportunity allows.

3. The City maintains a contact list of interested potential applicants. Letters or notices announcing the availability of funds are mailed to these interested agencies at least annually, in addition to notices published in the local newspaper and the posting of notices at the City's two libraries and on the City website. Applications for public service and public facility projects are accepted after notification for a minimum of a 30-day availability period as stated above. In addition, staff attends several local and regional meetings which include service providers, neighboring agencies and elected officials to keep abreast of issues impacting the quality of life for El Cajon's low-income residents. The City maintains a web presence and is pro-active in providing technical assistance throughout the year to assist interested citizens and agencies in understanding and applying for El Cajon's CDBG and HOME funds.

In addition, the City is developing enhancements and strengthening its coordination and consultation processes with other agencies, including State and local public agencies, the Regional Continuum of Care Council and others as listed in the Institutional Structure section below, to ensure that needed services and funding for homeless and other services are directed to the East County region and to El Cajon residents specifically. Staff has and will continue to consult closely with members of the RCCC to develop efficiencies in data-sharing, collaborate on strategic planning, and encourage the coordination of services and efforts among the providers. The City will continue to work with these and other agencies and organizations to strengthen coordination, assess gaps in the delivery of services, develop strategies to overcome those gaps, and to carry out the goals and objectives of the Consolidated Plan.

Citizen Participation

1. *Provide a summary of the citizen participation process.*
2. *Provide a summary of citizen comments or views on the plan.*
3. *Provide a summary of efforts made to broaden public participation in the development of the consolidated plan, including outreach to minorities and non-English speaking persons, as well as persons with disabilities.*
4. *Provide a written explanation of comments not accepted and the reasons why these comments were not accepted.*

**Please note that Citizen Comments and Responses may be included as additional files within the CPMP Tool.*

FY 2013-14 Action Plan Citizen Participation response:

1. The City of El Cajon adopted a Citizen Participation Plan (CPP) pursuant to HUD regulations and adheres to the notification and citizen comment procedures established in that Plan. Residents are given timely notices of public hearings held relative to the development of the Consolidated Plan and Annual Action Plans. Citizens are also given a 30-day period to review and comment on the draft Plans prior to adoption.

For FY 2013-14, the City of El Cajon followed its Citizen Participation Plan in accordance with the schedule below. The two public meetings held during the FY 2013-14 One-Year Action Plan process were advertised multiple times in the newspaper, and all Notices of the hearings and other activities are placed on the City's website and posted at City Hall and the City's two public libraries. In addition, the tentative Citizen Participation Schedule is posted on the City's website and was included with the application packets to requesting parties.

2. At the public hearing held on February 26, 2013, twelve (12) speakers representing applicant agencies and community members provided comments to the City Council. At the public hearing held on April 23, 2013, one speaker addressed the City Council. Excerpts of the Minutes from both hearings, including all comments is provided in Appendix A.
3. The City of El Cajon responded to all relevant oral comments at the hearings. No additional written comments were received.

Institutional Structure

1. Describe actions that will take place during the next year to develop institutional structure.

FY 2013-14 Action Plan Institutional Structure response:

1. The City of El Cajon strives to foster and maintain relationships with other agencies to establish an institutional structure that maximizes its resources. The institutional structure through which the City of El Cajon will carry out its Consolidated Plan and Annual Action Plan includes other public agencies, regional planning groups, for-profit agencies, philanthropic organizations, and non-profit developers and service organizations, many of which include:

City of El Cajon: In 2010, the City's Redevelopment and Housing Department was combined with and became a division of the Community Development Department under direction of the Community Development Director. More recently, as a result of the demise of the Redevelopment Agency, the Division was renamed the Housing Division and now serves as lead division and staff support to the two successor agencies of that Agency. Significant time and resources have been and will be expended in planning for and implementing the dissolution and transition to the two agencies. Many legal questions are as yet unanswered relative to this transition and additional changes to the institutional structure of the Housing Division may occur during the year.

Further, the Housing Division acts as lead division and provides staff support to the City Council for all federal housing and community development grant programs that are the subject of this Action Plan. The Division serves as lead for development of the Five-Year Consolidated Plan, Annual Action Plans, annual performance reports, and all other required reports and activities (such as monitoring). Staff members continue to attend appropriate training sessions as available.

Additional City of El Cajon departments that implement Consolidated Plan objectives include:

- City of El Cajon Police Department
- City of El Cajon Public Works Department
- City of El Cajon Planning Department

Housing Authority of the County of San Diego (HACSD): HACSD administers the Section 8 Rental Assistance Program in the city of El Cajon.

Certified Community Development Organizations (CHDOs): Throughout multiple Plan periods, the City of El Cajon has funded CHDOs to develop housing to address the needs of low and moderate income families, the elderly and disabled. In 2012, the City amended its Action Plan to award \$168,198 in CHDO funds to San Diego Habitat for Humanity to assist in the development of a project to construct six to seven brand-new affordable homes for low-income homebuyers.

Regional Continuum of Care Council (RCCC): The Regional Continuum of Care Council consists of over 50 nonprofit organizations, local jurisdictions and stakeholders to develop programs and address issues regarding the regional homeless. Staff has and will continue to consult closely with members of the RCCC to develop efficiencies in data-sharing, collaborate on strategic planning, and encourage the coordination of services and efforts among the providers.

Regional Planning Groups/Coalitions: The City actively pursues opportunities to coordinate with other jurisdictions in various regional Task Forces. The City will continue to participate in the regional CDBG Administrators work group, a group that meets on a regular basis to discuss common concerns and to share information. Through the CDBG Administrators' group, local jurisdictions are able to maximize technical assistance from HUD and from each other. In FY 2013-14, the group will continue to meet quarterly.

Nonprofit Organizations: Nonprofit organizations play a vital role in implementing the Consolidated Plan. The City has worked diligently to develop a positive working relationship with local nonprofits, which are actively involved in the provision of support services. City staff is also available for individual consultation with nonprofit organizations regarding grant proposals, funding guidelines, and for review of ideas that could lead to project development.

Private Industry: The City will continue to coordinate its efforts with those of public and private organizations providing economic development and job training programs. In addition, many private housing developers have participated in multi-family housing density bonus programs, tax-exempt bond financing, and Low Income Housing Tax Credits. However, county-wide, for-profit developers and builders will continue to have a difficult time finding appropriate sites for multi-family development, obtaining adequate financing from private sources, and constructing housing that is affordable to low and moderate income renters and homebuyers.

The City will continue to work with these and other agencies and organizations to strengthen coordination, assess gaps in the delivery of services, develop strategies to overcome those gaps, and to carry out the goals and objectives of the Consolidated Plan.

Monitoring

1. *Describe actions that will take place during the next year to monitor its housing and community development projects and ensure long-term compliance with program requirements and comprehensive planning requirements.*

FY 2013-14 Action Plan Monitoring response:

Monitoring will be directed toward programmatic, financial and regulatory performance. Primary objectives are (1) to ensure that subrecipients/CHDOs comply with all pertinent regulations governing their administrative, financial and programmatic operations; (2) to ensure subrecipients/CHDOs achieve their performance objectives within the terms of

their agreement and budget; and (3) to assess capabilities and/or any potential needs for training or technical assistance in these areas.

All Projects and Programs:

1. Subrecipients/CHDOs are evaluated as part of the pre-award assessment. Evaluation of the nature of proposed activity, proposed plan for carrying out activity, the organization's capacity to do the proposed work, and the potential for conflicts of interests are reviewed carefully within the pre-award assessment. Projects which are not eligible or which represent significant risk are brought to Council's attention during the public hearing and allocation process.
2. Invoices are reviewed monthly and reports are reviewed quarterly (or more often as agreed between the parties) for progress and performance of activities specified in the agreement with each subrecipient. Reports must be current prior to approval of any payment request. Report forms are provided to the subrecipient/CHDO with the executed contract, to ensure that all required information is included.
3. Technical assistance is provided as requested or as specific training needs are identified, particularly with subrecipients identified as inexperienced in the provision of projects or services using CDBG or HOME funds.

CDBG Projects and Programs:

1. During the program year, staff will establish an Annual Monitoring Plan.
2. As a part of the Annual Monitoring Plan, staff will identify subrecipients most likely to have serious problems and will devote extra attention and assistance to them. This identification may be due to recent turnover in personnel, past or current program or administrative performance, or the nature of the particular project.
 - a. The Plan will establish a schedule for on-site visits. Smaller subrecipients or subrecipients that have been monitored in the recent past and are managing well will be monitored through file evaluation.
 - b. If on-site monitoring is deemed appropriate, staff will conduct on-site monitoring with a written checklist. Staff will provide the subrecipient with an exit interview to give them an early indication of staff's findings.
 - c. Staff will conclude the monitoring by providing the subrecipient with a letter or report listing staff's findings, concerns and areas worthy of commendation. If applicable, staff will set deadlines for compliance with correcting deficiencies. Staff will make every effort to include positive feedback in the written letter or report.
2. Single Audit Requirements

- a. The subrecipient's requirements under the Single Audit Act will be included as a part of the agreement for use of the federal funds. An additional letter reminding subrecipients of the requirements may be provided.
- b. Staff will review all audit reports received. A letter of concern will be sent to any subrecipient with findings or concerns. Staff will follow up to assure that all findings have been cleared by subrecipient.

HOME/ADDI Projects and Programs:

Rental Projects

The City or its agent will:

1. Perform on-site inspections to determine compliance with property standards no less than once every three years for projects containing one to four units; once every two years for projects containing five to 25 units; and once per year for projects with 26 or more units.
2. Verify tenant income via self-certification process on an annual basis. Every sixth year, full tenant income verification will be conducted.
3. Verify rents on HOME-assisted units conform to current HOME rent limits.

Ownership Projects and Programs

1. The City will verify residency through an annual self-certification and a review of the current Tax Assessor's records. In the event that the unit is no longer owner-occupied, City staff will pursue recapture of HOME/ADDI funds.
2. In the event that the City receives a Notice of Default or Notice of Foreclosure for a single family residence, staff will attempt to contact the owner to determine the nature of default and if appropriate, provide technical assistance and/or referral information. Should a foreclosure occur, staff will pursue recapture of HOME/ADDI funds.

Lead-based Paint

1. *Describe the actions that will take place during the next year to evaluate and reduce the number of housing units containing lead-based paint hazards in order to increase the inventory of lead-safe housing available to extremely low-income, low-income, and moderate-income families, and how the plan for the reduction of lead-based hazards is related to the extent of lead poisoning and hazards.*

FY 2013-14 Action Plan Lead-based Paint response:

1. The City informs all residents applying for loans or grants through the Housing Rehabilitation Loan Program about the hazards of lead-based paint. Code enforcement and building inspectors will continue to identify lead-based paint

hazards as part of their ongoing activities, if the scope of the complaint allows them into the unit, or if it is part of an ongoing investigation. The Building Division will continue to be alert to units that may contain lead-based paint. They will inform tenants and landlords as part of their inspections of the dangers of lead-based paint. The City will continue to distribute the brochures, "Lead Based Paint" and "Protect Your Family from Lead in Your Home." The City will continue to attend meetings and training on lead-based paint hazards.

In order to address the health risks to young children posed by lead-based paint in residential dwellings, the City has implemented the following guidelines for housing rehabilitation programs. This includes all ongoing rehabilitation programs:

Table 3: Lead-Based Paint Guidelines for Residential Rehabilitation

For rehabilitation projects, the City's policy is to isolate the cost of lead abatement in a forgivable third trust deed (3rd mortgage) when the lead abatement costs exceed 98 percent (98%) of the loan-to-value ratio. That loan is forgiven upon the expiration of the affordability period found at 24 CFR 92.254(a)(4). Of the eight mobile home parks in which the City offers mobile home rehabilitation loans, five have been exempted from the lead requirements, as they are senior-only parks. The rehabilitation of individual units in the remaining three mobile home parks will be addressed per the chart found above. For FY 2013-14, the City will use CDBG fund balances carried over for the City Housing Rehabilitation Program and additional HOME funds for the Housing Program Pool of Funds that may be used for various housing programs including rehabilitation of single-family homes, mobile homes, or multi-family as needed.

For the First-Time Homebuyer Programs, lead abatement is the responsibility of the seller, and the City will not participate in down payment/closing cost assistance on any house containing lead.

HOUSING

Specific Housing Objectives

1. *Describe the priorities and specific objectives the jurisdiction hopes to achieve during the next year.*
2. *Describe how Federal, State, and local public and private sector resources that are reasonably expected to be available will be used to address identified needs for the period covered by this Action Plan.*

**Please also refer to the Housing Needs Table in the Needs.xls workbook.*

FY 2013-14 Action Plan Specific Housing Objectives response:

1. **Rehabilitation** and preservation of existing housing for low-income owners and homebuyers continues to be an area of High Priority and focus for the City of El Cajon. In FY 2013-14, the City will continue to offer a number of Rehabilitation Loan programs for eligible low-income homeowners, including programs for rehabilitation or replacement of mobile homes, rehabilitation of single-family homes and/or rehabilitation of multi-family units. Currently, the Consolidated Plan lists the goals of assisting ten (10) mobile home units and five (5) single-family units annually for a total of 50 mobile homes and 25 single-family units during the five-year period. It is clear the City will fall short of meeting its five-year goals for rehabilitation of homeowner units due to the severe down-turn in the economy which has eliminated home equity for most low-income homeowners for most of the first four years of the Consolidated Plan period. In FY 2012-13, the City amended its Rehabilitation Program Guidelines to refocus limited rehabilitation funds on bringing properties up to current building, health and safety codes, assisting more households by reducing maximum loan amounts, and reducing risk of foreclosure by establishing debt-to-income criteria similar to first-time homebuyer program. The City will target

assistance for five (5) mobile homes and three (3) single-family units for FY 2013-14, the final year of the Consolidated Plan period.

In addition, increasing **homeownership** is another area of High Priority and focus for the City. According to the 2000 Census, only 40 percent of El Cajon residents were homeowners, a full 26 percent below the national level. The City of El Cajon continues to prioritize its housing resources and efforts on increasing the homeownership rate within the City, wherever possible, and will continue to offer its American Dream homebuyer assistance program (and the California Dream program to a lesser extent) in FY 2013-14. In FY 2012-13, the City amended its First-time Homebuyer Program to reduce the maximum amount of subsidy available for each unit, in addition to other program revisions. The revisions are expected to reduce the risk of foreclosure and loss of public funds by reducing the minimum and maximum housing cost ratios to ensure that the unit is truly affordable; requiring a 2% down payment contribution from the buyer; decreasing the combined loan-to-value (CLTV); continuing to leverage HOME and CalHome funds under the American Dream First-Time Homebuyer Program to the greatest extent possible; and stabilizing condominium projects by decreasing rentals. In addition, the California Dream program for first-time homebuyers earning at or below 120% of Area Median Income was revised and will now only be available to qualified homebuyers who purchase the homes currently assisted with LMIHAF monies in an effort to maintain existing affordable units. Currently the Consolidated Plan states the goal of assisting 10 new homebuyers during the year. The City will target assistance for 10 new homebuyers in FY 2013-14, the final year of the Consolidated Plan period with the leveraging of CalHome funds.

The City also plans to use a portion its HOME funds in combination with other available funding for development of affordable rental and homeownership housing during the year. During FY 2012-13, the City amended its Action Plan to include an allocation of CHDO Funds of \$178,198 (\$168,198 plus \$10,000 for project costs) for the construction of six to seven new single-family homes (Foundation Lane Phase 2) by San Diego Habitat for Humanity, a certified CHDO. Those funds, along with an earlier commitment of \$132,780 for acquisition of land for the project, are expected to generate significant leveraging of funds through Habitat's fundraising and sweat equity mechanisms. In addition, during FY 2012-13 the Action Plan was amended to award \$505,000 in HOME funds (\$500,000 plus \$5,000 for project costs) for the acquisition of a multi-family affordable rental property by the El Cajon Housing Authority. This activity is expected to assist in converting existing market rate units to affordable housing, generating and preserving approximately 10 new units for affordable housing in the City.

2. The following activities will be pursued in FY 2013-14 using CDBG and HOME funds:

Priority 1: Conserve and Improve Existing Affordable Housing

- a. **Residential Rehabilitation Programs:** The City offers assistance to rehabilitate housing for low- and moderate-income households.

Housing Rehabilitation Program – 14H: The City currently provides a loan of up to \$20,000 to rehabilitate or replace mobile homes located in eight eligible mobile home parks in the City of El Cajon. The mobile home owner must have

owned their home for at least one year. The loans become due and payable upon sale, rental, refinance, transfer of the property or when the owner(s) no longer occupy the home as their primary residence. Costs for lead abatement may be isolated in a separate loan, increasing the total loan amount beyond \$20,000. In addition, this activity will support the direct costs of program implementation for all CDBG- and HOME-funded rehabilitation programs.

FY 2013-14 Funding: CDBG - \$0 - No new funds have been allocated, although prior year funds continue to be available for this project. [This activity is further authorized to receive excess CDBG funds and program income as outlined in Table 1, Note 1.]

Single-Family Housing Rehabilitation Loan Program – 14A: Loans are available to rehabilitate/repair single-family homes in the City of El Cajon for families earning 80 percent or less of the Area Median Income (AMI). This is a fully deferred zero interest loan of up to \$50,000 that becomes due and payable upon sale, rental, refinance, transfer of the property or when the owner(s) no longer occupy the home as their primary residence. Costs for lead abatement may be isolated in a separate loan, increasing the total loan amount beyond \$50,000. In addition to income restrictions, maximum property value restrictions apply. The homeowner must have owned the property for at least one year and have adequate equity in the home.

FY 2013-14 Funding: HOME - \$0 [Funds will be transferred to this activity from the Housing Program Pool of Funds on an as-needed basis based on market conditions and demand – See Table 1, Note 2c.]

Multi-Family Residential Rehabilitation – 14B: The City may use HOME funds to provide assistance to rehabilitate multi-family housing projects, on a case-by-case basis.

FY 2013-14 Funding: HOME - \$0 [Funds will be transferred to this activity from the Housing Program Pool of Funds as specific projects are identified – See Table 1, Note 2c.]

Acquisition/Rehabilitation – 14G: The City may use HOME funds to provide assistance to acquire and rehabilitate single- and/or multi-family housing projects, on a case-by-case basis.

FY 2013-14 Funding: HOME – \$0 [Funds will be transferred to this activity from the Housing Program Pool of Funds as specific projects are identified – See Table 1, Note 2c.]

Five-Year Objectives:

- Provide rehabilitation assistance to five (5) single-family owner units and ten (10) mobile homes annually for a total of 75 units over five (5) years.
- Distribute brochure materials throughout the community including City Hall, library, and key community locations.

One-Year Objectives:

- In FY 2013-14, rehabilitate or replace five (5) mobile homes.
- In FY 2013-14, rehabilitate three (3) single-family homes.
- Continue to explore alternative rehabilitation programs and/or activities.
- Identify and work with property owners with code compliance violations.

Performance Measures/Outcomes: Decent Housing (DH)/Availability (1)

- b. **Lead-Based Paint Hazard Reduction – 14I:** Approximately 78 percent of the housing units in El Cajon were built prior to 1978. Based on the age of housing stock and household income, an estimated 5,831 older housing units containing lead-based paint in the City may be occupied by low and moderate-income households (0-80 percent AMI).

FY 2013-14 Funding: Included as part of rehabilitation programs above.

One-Year Objectives:

- Included as part of rehabilitation programs. See objectives above.

Performance Measures/Outcomes: Decent Housing (DH)/Availability (1)

Priority 2: Provide Homeownership Assistance to Low and Moderate Income Households

- a. **First-Time Homebuyer Assistance - 13:** The City of El Cajon offers assistance to first-time homebuyers to purchase a new or existing single-family or condominium home in the City. The American Dream First-Time Homebuyer Program utilizes a combination of HOME, CalHome (when available) and/or other available funds for buyers earning up to 80% of area median income. Pre-qualification by the City is required and restrictions apply. Funds are available on a first-come, first-serve basis.

FY 2013-14 Funding: HOME - \$0 [Funds will be transferred to this activity from the Housing Program Pool of Funds on an as-needed basis based on market conditions and demand – See Table 1, Note 2c.]

Five-Year Objectives:

- Provide first-time homebuyer assistance from the HOME, CalHome, and Low and Moderate Income Housing Fund programs. Assist ten (10) first-time buyers annually for a total of 50 households over five (5) years.

One-Year Objectives:

- In FY 2013-14, assist ten (10) first-time homebuyers.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)

- b. **Acquisition and Resale of Foreclosed Properties – 14G:** The City may use HOME funds to provide assistance to acquire and re-sell foreclosed single- and/or multi-family housing projects, on a case-by-case basis.

FY 2013-14 Funding: HOME – No new funds allocated.

- **Greenovation Program**

In 2010, the former Redevelopment Agency established the Greenovation Program and entered into an agreement with a contractor/developer for the acquisition, rehabilitation and resale of foreclosed single-family properties to low and moderate-income households using LMIHAF funds. In 2012, the agreement was assigned to the El Cajon Housing Authority as part of the dissolution of the Redevelopment Agency. Over this time, the developer has worked diligently to identify properties, however the program found itself competing unsuccessfully with cash buyers offering very short escrow closings. In response, in FY 2012-13, the agreement was amended to include multi-family properties which could be expected to provide a greater impact to the community and allow for a longer due diligence period for inspections and close of escrow. With the expansion of the target properties, the real properties purchased are to be vacant, foreclosed and/or substandard and either 1) offered for sale as owner-occupied units under the criteria of the California Dream First-time Homebuyer program, or 2) sold to the El Cajon Housing Authority at a price not to exceed the amount of the Loan to the developer for acquisition and rehabilitation. The owner-occupied units will be affordable for a period of 45 years, while the multi-family units will be affordable for a period of 55 years. The program is underway and will continue to be funded in FY 2013-14 using existing Housing Authority funds, as available.

Five-Year Objectives:

- Based on funding availability and allocations, through an eligible CHDO, anticipate assisting not less than three (3) low-income households per year for a total of not less than 15 households over five (5) years.

One-Year Objectives:

- In FY 2013-14, set aside a minimum of 15% of annual HOME funds in reserve until sufficient funding is assembled to issue an RFP or to enter into an agreement with a qualified CHDO from an established list of qualified CHDO's should a project be identified.
- Through the Greenovation Program, assist 2 to 4 households with affordable rental or homeownership housing.
- Continue to look for opportunities to stabilize neighborhoods, preserve the affordable housing stock and promote homeownership.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)

- c. **MCC Program:** The City of El Cajon has participated with most of the other jurisdictions in San Diego County for the administration of the Mortgage Credit Certification Program (17 of the 19 jurisdictions pool the resources, only the cities of San Diego and Oceanside administer their own on a separate basis). The advantage to El Cajon with this arrangement was that properties inland are generally more affordable than coastal properties. This program was previously funded using LMIHAF funds. The program will continue to be funded in FY 2013-14 using LMIHAF funds, as available.

One-Year Objectives:

- Continue to participate in the program and assist the County in promoting program use.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)

Priority 5: Assist in the Development of Affordable Housing

- a. **Non-Profit Housing Development Corporations - 22:** The City may use HOME and other available funds to assist in the development of affordable housing. When sufficient funds are accumulated and/or when a potential project is identified, funding will be provided to a qualified non-profit developer. The FY 2013-14 CHDO Set-Aside allocation will be reserved and combined with the next year's anticipated Set-Aside allocation. An RFP for a project may be issued when sufficient funds are accumulated, unless a qualified project is brought forward sooner.

FY 2013-14 Funding: CHDO Reserve (15% of allocation) – \$52,529

[This activity to be funded at 15% of the total HOME allocation (may be increased or decreased) per the HOME regulations – See Table 1, Note 3.]

Five-Year Objectives:

- Augment and refine the list of non-profit developers for purposes of coordinating their involvement in affordable housing development in the City.
- Assist in expanding capacity of CHDOs for affordable housing development and preservation.
- Meet with existing local non-profit groups periodically to coordinate the development of family and other types of affordable housing in El Cajon.

One-Year Objectives:

- In FY 2013-14, set aside a minimum of 15% of annual HOME funds in reserve until sufficient funding is assembled to issue an RFP or to enter into an agreement with a qualified CHDO from an established list of qualified CHDO's should a project be identified.
- b. **Land Assemblage/Write-Down/Acquisition/Construction of Housing – 12:** The City may use HOME and other available funds to assist in the development of affordable rental and ownership housing. Wherever possible, the terms will condition the sale of the ownership units to first-time homebuyers.

- **El Cajon Housing Authority (Housing Authority Project #1)**

In FY 2012-13, an amendment to the One-Year Action Plan was approved awarding HOME Funds in the amount of \$505,000 in HOME funds (\$500,000 plus \$5,000 for project costs) for the acquisition of a multi-family affordable rental property by the El Cajon Housing Authority. This activity is expected to assist in converting existing market rate units to affordable housing, generating and preserving approximately 10 new units for affordable housing in the City. A suitable property was being identified, a purchase offer was expected to be submitted/accepted, and escrow was expected to close on the sale on or before June 30, 2013. The HOME funds were provided to the Housing Authority via a

deferred, no-interest loan that may be forgiven upon expiration of the affordability period at the sole discretion of the City. A minimum of four units will be HOME-restricted for a period of 15 years. The HOME funds will be leveraged with LMIHAF funds of the Housing Authority or other available funds, and all units will be further restricted with underlying affordability covenants of the California Health and Safety Code for 55 years.

FY 2013-14 Funding: HOME – No new funds allocated.

- **San Diego Habitat for Humanity (Foundation Lane Phase 2)**

In FY 2010-11, the City entered into a HOME Funding Agreement with San Diego Habitat for Humanity (a certified CHDO) for a program to acquire, rehabilitate and re-sell, or to acquire, construct new and sell, vacant homes in the City of El Cajon. Three vacant homes were successfully acquired, rehabilitated and sold to low-income homebuyers through that program. As a part of that Agreement, a portion of the funds (\$132,780) were used to assist SDHFH to acquire vacant land for the future development of new single-family homes adjacent to a previous four unit SDHFH development (Foundation Lane). In FY 2012-13, an amendment to the One-Year Action Plan was approved to award additional CHDO Funds of \$168,198 to SDHFH to assist in the construction of Foundation Lane Phase 2. At completion, Foundation Lane Phase 2 will consist of six (6) to seven (7) new single-family homes, all of which will be sold to low-income households using City First-Time Homebuyer Program criteria and funds returned from SDHFH. SDHFH has pledged to hold the first mortgage for each buyer at zero percent interest for 30 years, making the homes affordable and securing the affordability covenants of the HOME program.

FY 2013-14 Funding: HOME – No new funds allocated, although prior year funds continue to be available for this project.

- **Solterra/Chambers Senior Residences Project**

The Solterra project is a 49-unit new construction rental project targeting very-low income seniors. Low Income Housing Tax Credits were awarded to the project in June of 2011. The former Redevelopment Agency also committed \$4,500,000 in LMIHAF monies and the El Cajon Housing Authority has assumed this commitment. Located near the downtown area with access to public transportation, this project will bring new life to an aging area with exciting architecture, community access to the patio/gardens, while still providing mixed-use office/retail components to support senior needs. A Groundbreaking Ceremony was held on April 3, 2012, and construction completion and 100% occupancy are expected in the April 2013.

Five-Year Objectives:

- Facilitate land assemblage for affordable housing development.
- Assist in the construction of 20 affordable units over five years.

One-Year Objectives:

- In FY 2013-14, monitor the previous commitments of CHDO funds awarded to San Diego Habitat for Humanity to ensure timely completion of the Foundation Lane Phase 2 project by FY 2015-16.
- Complete the development of the El Cajon Housing Authority Strategic Plan to evaluate financing opportunities to acquire land or other buildings to increase, preserve or produce affordable housing units.
- Continue to support the efforts of the El Cajon Housing Authority and other non-profit developers to develop affordable housing units to meet Consolidated Plan and Housing Element goals.
- Complete construction of 49 units of rental housing for very low income seniors.

Performance Measures/Outcomes: Decent Housing (DH)/Affordability (2)

Priority 6: Promote Equal Housing Opportunity

In order to make adequate provision for the housing needs of all economic segments of the community, the City must pursue actions that promote housing opportunities for all persons regardless of race, color, national origin, ancestry, religion, sex, familial status, marital status, age, disability, source of income, or sexual orientation.

- a. **Fair Housing – 21D:** The City of El Cajon contracts with CSA San Diego County (formerly Center for Social Advocacy) to provide a variety of fair housing and tenant/landlord services, including:
- Serves as a fair housing resource for the area, including implementation of an affirmative fair housing marketing plan, testing and complaint verification;
 - Responds to all citizen complaints regarding violations of the fair housing laws;
 - Provides tenant-landlord counseling to all inquiring citizens;
 - Promotes community awareness of tenant-landlord rights and responsibilities;
 - Monitors housing legislation, attends training and reports to the City; and
 - Maintains a free rental listing service of affordable and accessible housing within the City of El Cajon.

FY 2013-14 Funding: CDBG - \$15,000; HOME - \$5,000

Five-Year Objectives:

- Actively advertise services provided by CSA San Diego County through brochures at the public counter, community service agencies, public libraries, and the City website.
- Continue to comply with the fair housing planning requirements of the CDBG and HOME programs, including cooperating in updating the Analysis of Impediments (AI) to Fair Housing Choice every five years and incorporating actions to address any impediments in its annual Action Plans to HUD.
- Through the fair housing service provider, assist 2,000 persons with fair housing services.

One-Year Objectives:

- Advertise services provided by CSA San Diego County through brochures at the public counter, community service agencies, public libraries, and City website.
- Participate in the Regional Analysis of Impediments to Fair Housing Choice update, including taking measures to work with other agencies to remediate impediments found in the updated document.
- Assist up to 200 persons with fair housing services.

Performance Measures/Outcomes: Decent Housing (DH)/Availability (1)

Needs of Public Housing

1. *Describe the manner in which the plan of the jurisdiction will help address the needs of public housing and activities it will undertake during the next year to encourage public housing residents to become more involved in management and participate in homeownership.*
2. *If the public housing agency is designated as "troubled" by HUD or otherwise is performing poorly, the jurisdiction shall describe the manner in which it will provide financial or other assistance in improving its operations to remove such designation during the next year.*

FY 2013-14 Action Plan Public Housing Strategy response:

1. The needs of public housing in the City of El Cajon are typically met by the Housing Authority of the County of San Diego ("HACSD"). There is no public housing located in El Cajon and HACSD administers the Section 8 Rental Assistance Program for residents in need of affordable housing.
2. HACSD is not designated as a "troubled" agency by HUD.

Barriers to Affordable Housing

1. *Describe the actions that will take place during the next year to remove barriers to affordable housing.*

FY 2013-14 Action Plan Barriers to Affordable Housing response:

1. The City's housing stock consists of over 50 percent rental housing. That percentage, plus the portion of ownership units (condominiums and single-family detached houses) that are used as rental properties by investors, produced a homeownership rate of 40.5 percent according to the 2000 Census. This is a full 26 percent below the national average homeownership rate.

Barriers to Rental Housing: According to the findings of the Regional Analysis of Impediments to Fair Housing (2010-2015), the City of El Cajon hosts the highest numbers of Section 8 Housing Choice rental assistance participants in the County. Following discussions with the County and review of available data, it is believed that this is true because the rents in El Cajon (both market-rate and restricted) are generally lower and offer more opportunities for affordable housing than much of the rest of the County. According to HACSD who administers the Section 8 program in the City of El Cajon, the physical condition of the rental housing stock is considered to be good as the units are inspected, repaired, and maintained on a regular basis.

Barriers to Homeownership Housing: Historically, in this region, the greatest barrier to affordable ownership has been the price of housing. The City's First-Time Homebuyer programs address this barrier by providing assistance with the purchase price and closing costs as a "silent second" to qualifying applicants. In the past, the City's First-Time Homebuyer Program utilized two funding sources: HOME funds for families earning up to 80 percent of area median income (American Dream), and Low and Moderate Income Housing Asset Funds which assisted families earning up to 120 percent of AMI (California Dream). While the recent decrease in home prices and extremely reduced mortgage interest rates has opened up more opportunities for first-time homebuyers, the elimination of the Redevelopment Agency (and LMIHAF funds) and the significant reduction of HOME funding have seriously depleted the resources available to increase homeownership.

In March of 2013, the City of El Cajon applied to the State of California for \$735,000 in CalHome funds. The CalHome Program is a competitive application process that provides funds to local public agencies and non-profit organizations for deferred-payment mortgage assistance loans for low-income first-time homebuyers or for owner-occupied rehabilitation. Announcements are expected in June of 2013. If awarded the funding, the City will use its CalHome funds to supplement the City's HOME funds in conjunction with the American Dream First-time Homebuyer Program. The City anticipates facilitating homeownership for approximately ten (10) low- and moderate-income households through its American Dream First-Time Homebuyer Program in FY 2013-14.

As part of a prior agreement, the City used HOME funds to assist San Diego Habitat for Humanity to acquire land for the future development of new single-family homes on two vacant lots adjacent to a previous SDHFH development of four single-family homes (Foundation Lane). In FY 2012-13, an amendment to the One-Year Action Plan was approved to award additional CHDO Funds of \$178,198 (\$168,198 to SDHFH and \$10,000 for anticipated project costs) to assist in the construction of Foundation Lane Phase 2. At completion, Foundation Lane Phase 2 will consist of six (6) to seven (7) new single-family homes, all of which will be sold to low-income households using City First-Time Homebuyer Program criteria and funds returned from SDHFH. SDHFH has pledged to hold the first mortgage for each buyer at zero percent interest for 30 years, making the homes affordable. Construction is expected to be completed and the units sold by December of 2015.

HOME/ American Dream Down payment Initiative (ADDI)

1. Describe other forms of investment not described in § 92.205(b).
2. If the participating jurisdiction (PJ) will use HOME or ADDI funds for homebuyers, it must state the guidelines for resale or recapture, as required in § 92.254 of the HOME rule.
3. If the PJ will use HOME funds to refinance existing debt secured by multifamily housing that is that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under § 92.206(b). The guidelines shall describe the conditions under which the PJ will refinance existing debt. At a minimum these guidelines must:
 - a. Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.
 - b. Require a review of management practices to demonstrate that disinvestments in the property has not occurred; that the long-term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.
 - c. State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.
 - d. Specify the required period of affordability, whether it is the minimum 15 years or longer.
 - e. Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community.
 - f. State that HOME funds cannot be used to refinance multifamily loans made or insured by any federal program, including CDBG.
4. If the PJ is going to receive American Dream Down payment Initiative (ADDI) funds, please complete the following narratives:
 - a. Describe the planned use of the ADDI funds.
 - b. Describe the PJ's plan for conducting targeted outreach to residents and tenants of public housing and manufactured housing and to other families assisted by public housing agencies, for the purposes of ensuring that the ADDI funds are used to provide down payment assistance for such residents, tenants, and families.
 - c. Describe the actions to be taken to ensure the suitability of families receiving ADDI funds to undertake and maintain homeownership, such as provision of housing counseling to homebuyers.

FY 2013-14 Action Plan HOME/ADDI response:

1. The City of El Cajon will invest its HOME funds in accordance with the forms of assistance listed in §92.205(b)(1). The City will use its HOME funds to assist income-eligible single-family, mobile home and/or multi-family owners with loans for rehabilitation (or replacement) of their units to conserve and improve existing affordable housing. The assistance will be in the form of deferred payment, non-

interest-bearing loan(s) with provisions for recapture of the principal amount upon non-owner occupancy of the unit for a specified affordability period. The City will also use its HOME funds to assist first-time homebuyers to purchase a new or existing single-family or condominium home in the City. The American Dream First-Time Homebuyer Program may utilize a combination of HOME, CalHome and/or other available funds. In the First-Time Homebuyer program, assistance provided by the City will be in the form of deferred payment, non-interest-bearing loan(s) with provisions for recapture of the principal amount and equity-sharing in lieu of interest upon non-owner occupancy of the unit for the specified affordability period. In both programs, the principal amount is never forgiven and must be repaid upon non-owner occupancy.

2. In FY 2013-14, HOME funds will be used to support the City's American Dream First-Time Homebuyer program. To ensure affordability, the City imposes recapture requirements on the borrower in order to recoup all or a portion of the HOME assistance provided, along with a share of any equity as outlined above, should the housing unit not continue to be the borrower's principal place of residence for the duration of the period of affordability. The following is reprinted directly from the HOMEOWNER'S REGULATORY AGREEMENT FOR HOME PROGRAM PARTICIPATION, which is recorded against the property at the close of escrow when HOME funds have been used to assist with the purchase:

“Recapture of HOME and ADDI funds

Pursuant to 24 CFR 92.254(a)(ii), the City of El Cajon requires that HOME/ADDI funds be recaptured if the housing does not continue to be the principal residence of the family for the duration of the Period of Affordability. If all or any part of the Property or any interest in it is sold, rented, refinanced, conveyed or transferred (of if a beneficial interest in Borrower is sold, rented, refinanced, conveyed or transferred and Borrower is not a natural person), the Equity, as hereafter defined, in the Property shall be shared between the Borrower and the City on the following basis.

The maximum equity to be shared by the City shall not exceed the amount equal to the percentage of the value of the residence finances by the CalHome and HOME/ADDI Program Loan(s). That is, if the loan equals twenty percent of the **Original Purchase Price** of the residence, a maximum of twenty percent of the **Net Appreciation** may be charged by the City.

The following *example* assumes the following: (a) **Current Sales Price** or **Current Appraised Value** (as may be the case of refinance), in the example, of \$260,000, (b) **Original Purchase Price (OPP)** of \$180,000, (c) initial **Gross Appreciation** of \$80,000 (the Current Sales Price of \$260,000 minus the Original Price of \$180,000), (d) \$26,000 in closing costs (estimated at ten percent of the **Current Sales Price**), (e) initial **Net Appreciation** of \$54,000 and an equity share schedule based on the percentage of CalHome assistance of \$30,150 (16.75% of OPP) and HOME/ADDI assistance of \$14,850 + \$5,000 (11.03% of (OPP)) on an Initial Purchase Price of \$180,000. ***The table is for the purpose of illustration only and will apply to any form of default of the City administered Programs. Actual sales price and net sales price will vary. The principal amount of the loans remains due and is in addition to any equity-share that may be owed to the City.***

Table 4: Sample First-Time Homebuyer Program Appreciation

# Months After Date of Agreement	Current Sales Price of Current Appraised Value (a)	Original Purchase Price (b)	Gross Appreciation (c) (difference of a-b)	Seller Closing Costs (d) (10% of Current Sales Price)	Net Appreciation (e) (c-d)	Seller's Equity Share of Net Appreciation (f) (722.22% of (e))	CalHome & City Equity Share of Net Appreciation (g) (27.78% of (e))	Principal Amount Due to City (h)	Total Amount due to City (g+h)
0-180	\$260,000	\$180,000	\$80,000	\$26,000	\$54,000	\$38,998	\$15,001	\$50,000	\$65,001
181 and thereafter	\$285,000	\$180,000	\$105,000	\$28,500	\$94,500	\$94,500	\$0	\$50,000	\$50,000

In this *example*, the finance charge/equity-share varies between \$0 and \$15,001.20 through year fifteen (15). Your amount will differ, depending upon gross sales price, net sales price, the amount of equity, the number of months after the date of agreement that the sale, transfer, rental or refinance occurs, etc.

In the event that no Net Appreciation exists at the time of transfer or sale, the CalHome and HOME/ADDI funds will still be due and payable. In the event that a negative Net Appreciation situation exists, and the full amount of the HOME/ADDI funds are not available to be recaptured, the amount of HOME/ADDI funds required to be repaid to the City will be as set forth in 24 CFR 92.254(a)(ii)(A)(3). The formulas are as follows:

$$\frac{\text{HOME/ADDI Investment} \times \text{Net Proceeds}}{\text{HOME/ADDI Investment} + \text{Homeowner Investment}} = \text{HOME/ADDI amount to be recaptured}$$

$$\frac{\text{Homeowner Investment} \times \text{Net Proceeds}}{\text{HOME/ADDI Investment} + \text{Homeowner Investment}} = \text{Amount to Homeowners}$$

Provided that the Borrower is not in default under the terms of the Note, the Note interest, equity share shall be forgiven in its entirety and interest in the equity of the Property shall be relinquished by the City fifteen (15) years from the date of the execution of the Note, as provided by the loan documents."

3. The City of El Cajon does not provide this type of assistance.
4. Due to the low funding amount at the national level, El Cajon does not meet the qualification threshold for and does not expect to receive ADDI funds in FY 2013-14.

HOMELESS

Specific Homeless Prevention Elements

1. *Sources of Funds—Identify the private and public resources that the jurisdiction expects to receive during the next year to address homeless needs and to prevent homelessness. These include the McKinney-Vento Homeless Assistance Act programs, other special federal, state and local and private funds targeted to homeless individuals and families with children, especially the chronically homeless, the HUD formula programs, and any publicly-owned land or property. Please describe, briefly, the jurisdiction's plan for the investment and use of funds directed toward homelessness.*

2. *Homelessness*—In a narrative, describe how the action plan will address the specific objectives of the Strategic Plan and, ultimately, the priority needs identified. Please also identify potential obstacles to completing these action steps.
3. *Chronic homelessness*—The jurisdiction must describe the specific planned action steps it will take over the next year aimed at eliminating chronic homelessness by 2012. Again, please identify barriers to achieving this.
4. *Homelessness Prevention*—The jurisdiction must describe its planned action steps over the next year to address the individual and families with children at imminent risk of becoming homeless.
5. *Discharge Coordination Policy*—Explain planned activities to implement a cohesive, community-wide Discharge Coordination Policy, and how, in the coming year, the community will move toward such a policy.

**Please also refer to the Homeless Needs Table in the Needs.xls workbook.*

FY 2013-14 Action Plan Homeless Prevention response:

1. Public and private resources are being used in the City of El Cajon to help address the homeless priorities of the City's Consolidated Plan. These resources provide full or partial funding, either directly to the City or directly to local non-profit agencies, to aid a variety of projects. During the Point-In-Time Count of January 2012, the Regional Task Force on the Homeless (RTFH) counted a homeless population of 461 in El Cajon, of which 109 were unsheltered.¹ Three (3) non-profit organizations, Volunteers of America Southwest California, Crisis House, and East County Transitional Living Center have facilities located in El Cajon and serve the homeless population either through direct case management services, shelter beds, the provision of motel vouchers, referrals to other agencies or other direct assistance.

In FY 2013-14, the City has allocated \$50,000 in CDBG funds to East County Transitional Living Center for emergency shelter and services for the homeless. In addition, the City has allocated \$60,000 to this same organization for assistance with repaving of the parking lot serving its shelter facility. Further, the City will continue to provide in-kind support for Crisis House in the form of in-lieu rent of a publicly-owned building for the provision of services to the homeless, and the assignment of cell tower revenue for operational support.

Supportive Housing Program (SHP), McKinney-Vento Act, and Shelter Plus Care funds are a critical source of funds used to develop and support the region's Continuum of Care to address the priorities for the homeless and special needs populations as described in the Resources section above. Recently, the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidated these separate homeless assistance programs administered by HUD into a single grant program (CoC Programs), and revised the Emergency Shelter Grants program and renamed it as the Emergency Solutions Grants (ESG) program. The HEARTH Act also significantly modified the

¹ Regional Task Force on the Homeless, *Regional Homeless Profile Summary / Summary Results from the San Diego Regional 2012 Point-In-Time Count*.

definition of “homeless” and codified into law the Continuum of Care planning process, a longstanding part of HUD’s application process to assist homeless persons by providing greater coordination in responding to their needs. Additional sources of funds received by the County and made available for support of the Continuum of Care include Veterans Administration and Department of Labor (Workforce Investment Act) funds.

2. The following are specific activities, goals and objectives to be pursued in FY 2013-14 using CDBG funds:

Priority 7: Support a Continuum of Care System for the Homeless

- a. **Continuum of Care for the Homeless** – The Regional Continuum of Care Council (RCCC), comprised of representatives of the 18 cities and the County of San Diego, non-profit service providers, and stakeholders, has been very successful in competing for CoC Grant Program funds to address homelessness in San Diego County. The RCCC coordinates and oversees the application process, and develops and vets programs to address issues regarding homelessness in the region. The RCCC also oversees the collection of regional homeless data (through a contract with the Regional Task Force on the Homeless which serves as a clearinghouse for regional information on homeless data and resources), identifies gaps in services, and leads strategic planning initiatives to move people from homelessness to permanent housing. The City will continue to work with the RCCC as staffing and resources allow to support services and apply for funding to address (and end) homelessness in our region.
- b. **Homeless Services:** The following homeless services will be funded in FY 2013-14.

Crisis House: Several years ago, the City acquired and renovated a building using CDBG funds. The building is currently leased to Crisis House, a non-profit agency providing case management, family reunification and food pantry services to the homeless, for \$1 per year. This rent reduction is estimated to be equivalent to approximately \$70,000 per year in support to this agency for services to the homeless and those at risk of becoming homeless. Additionally, a cellular phone relay tower was installed on this property. The cellular phone company pays \$17,000 per year in rent. The full amount is provided directly to Crisis House for operational support.

FY 2013-14 Funding: No additional funding [In-kind contribution - \$87,000]

East County Transitional Living Center (ECTLC) – 03T: This organization, formerly known as Set Free Baptist Ministries, has been allocated \$50,000 in CDBG funding for the provision of emergency shelter services for the homeless. Several years ago, this agency purchased and renovated an older motel and restaurant to create a transitional living facility and feeding hall. The conversion of this facility significantly increased the number of bed units of shelter for homeless individuals and families in the community.

FY 2013-14 Funding: CDBG - \$50,000

Emergency Food and Shelter Program (EFSP): The San Diego area is eligible to receive funding from FEMA's EFSP Program through a Designated Local Board to provide services for the homeless. Through the EFSP program, homeless service providers in the City are able to offer rent and mortgage assistance, utility assistance, emergency food and motel vouchers.

Five-Year Objectives:

- Continue to participate in the San Diego County RCCC to assess the extent of homeless needs and to coordinate efforts in addressing the needs, including needs for the chronically homeless.
- Provide assistance to agencies serving the homeless and those at risk for homelessness, with the objective of assisting 200 homeless/at-risk homeless annually (1,000 over five years).

One-Year Objectives:

- Assist approximately 150 homeless persons with emergency shelter services provided through East County Transitional Living Center.
- Continue to participate in the RCCC and the Plan to End Chronic Homelessness.
- Continue to participate in the EFSP Homeless Program.

Performance Measures/Outcomes: Suitable Living (SL)/Availability (1)

3. The City participates in the RCCC and the County's efforts in ending **chronic homelessness**. The RCCC coordinates services and funding for the homeless to move people from homelessness to permanent housing. Chronically homeless persons require rehabilitation services, employment training and placement, health services, and case management to move from homelessness to transitional housing, and then to supportive/permanent housing. The Continuum of Care Strategy coordinated by the RCCC offers a full range of services and facilities. The City supports the RCCC's strategy for constructing housing facilities that help transition chronically homeless persons to a stable housing situation and to receive supportive services that would improve their employment skills.

In addition, the County and its 18 incorporated cities have made a long-term commitment to defeating chronic homelessness. In September of 2006, the Plan to End Chronic Homelessness in the San Diego Region (PTECH) was adopted by the City of San Diego, followed shortly thereafter with adoption by the County and the many cities in the region, including the City of El Cajon. Implementation of the Plan began in 2007 and a number of committees were formed with the United Way as the convener. The PTECH is comprised of five main goals, including Housing First (permanent supportive housing), Housing Plus (wraparound services and support), Prevention, Enhanced Data Collection and Securing Mainstream Resources.

4. The City will continue to support and actively promote various affordable housing programs and employment activities that will help **prevent homelessness** in El Cajon. In FY 2013-14, the Emergency Solutions Grant through the County of San Diego is expected to provide assistance to families and individuals most at risk of becoming homeless, along with the FEMA Emergency Food and Shelter Program which provides limited rent and mortgage assistance. In addition, the City will continue to actively provide information and referrals to the County-administered

Section 8 Housing Choice Rental Assistance program. Finally, providers of services for the homeless in El Cajon will be encouraged to maintain coordination and collaborative efforts in order to provide accurate information and cross-referrals to each other, and to other resources in the region.

5. The City of El Cajon does not have any publicly funded institutions or systems of care such as hospitals or jails. In our region, the County of San Diego in collaboration with the RCCC maintains Discharge Coordination Policies for the systems of care it administers, such as discharge from the Corrections System, the Foster Care system and the Mental Health systems. The City supports the joint planning efforts of the County, the RCCC and the PTECH to advocate for development of consistent policy implementation by hospital administrators for best practices such as recuperative care, and co-location of health services near affordable housing developments.

Emergency Shelter Grants (ESG)

(States only) Describe the process for awarding grants to State recipients, and a description of how the allocation will be made available to units of local government.

FY 2013-14 Action Plan ESG response:

Not applicable, as the City of El Cajon does not receive ESG Funds.

COMMUNITY DEVELOPMENT

Community Development

1. *Identify the jurisdiction's priority non-housing community development needs eligible for assistance by CDBG eligibility category specified in the Community Development Needs Table (formerly Table 2B), public facilities, public improvements, public services and economic development.*
2. *Identify specific long-term and short-term community development objectives (including economic development activities that create jobs), developed in accordance with the statutory goals described in section 24 CFR 91.1 and the primary objective of the CDBG program to provide decent housing and a suitable living environment and expand economic opportunities, principally for low- and moderate-income persons.*

**Note: Each specific objective developed to address a priority need, must be identified by number and contain proposed accomplishments, the time period (i.e., one, two, three, or more years), and annual program year numeric goals the jurisdiction hopes to achieve in quantitative terms, or in other measurable terms as identified and defined by the jurisdiction.*

**Please also refer to the Community Development Table in the Needs.xls workbook.*

FY 2013-14 Action Plan Community Development response:

1. The City of El Cajon's Consolidated Plan was developed through an extensive community process that identified needs, established priorities and developed goals, objectives and performance benchmarks for housing and non-housing community development actions. The City's priority community development needs eligible for assistance by CDBG eligibility category are specified in the Community Development Needs Table in Appendix B of the Consolidated Plan. High priority was assigned to public facilities and improvements, public services and direct homeownership assistance through rehabilitation of single-unit residential structures.

High Priority was assigned to addressing the needs for improvements to community facilities serving youth, and the park and recreational needs of all members of the community. High Priority was also assigned to making ADA improvements to public buildings and community facilities. Medium Priority was assigned to addressing the needs for improvements to community facilities serving seniors, neighborhoods, persons with disabilities, homeless persons and health care needs.

The Housing and Community Development Needs Survey also identified crime awareness, services for neglected youth and children, and general youth services as High Priority public service needs in the community. High Priority was also assigned to providing supportive services for the City's seniors and to the provision of fair housing services. Medium Priority was assigned to employment training as part of the City's economic development/anti-poverty strategy. Medium Priority was also assigned to providing child care, substance abuse, handicapped, domestic violence, transportation, and health services.

2. The following are activities to be pursued in FY 2013-14 using CDBG funds:

Priority 8: Provide for New Community Facilities and Improve the Quality of Existing Community Facilities to Serve Those of Low and Moderate Income and/or with Special Needs

- a. **Public Facilities Improvements/Planning:** The City has identified the following projects for FY 2013-14:

ADA Improvements to Public Facilities – 03:

- **Council Chambers ADA Improvements**

FY 2013-14 Funding: CDBG - \$240,000

- **ADA Curb Ramps Program**

FY 2013-14 Funding: CDBG - \$125,223

Homeless Facilities – 03C:

- **East County Transitional Living Center (ECTLC) – Parking Lot Repavement**

FY 2013-14 Funding: CDBG - \$60,000

Park and Recreation Facilities – 03F:

- **Boys & Girls Clubs of East County – Restrooms and Gym Renovations**

FY 2013-14 Funding: CDBG - \$60,455

Rehab: Single-Unit Residential – 14A:

- **Home of Guiding Hands Group Homes – Facility Improvements to four Group Homes for the Developmentally Disabled**

FY 2013-14 Funding: CDBG - \$35,246

Repayment of Section 108 Loans – 19F:

- **Section 108 Loan for Ladder Truck**

FY 2013-14 Funding: CDBG - \$77,004

Five-Year Objectives:

- Pursue two (2) improvement projects to parks, recreational, and community facilities annually, for a total of ten (10) projects over five (5) years.
- Pursue one ADA improvement project annually, for a total of five (5) projects over five (5) years.

One-Year Objectives:

- Complete design, award a bid and begin full construction of ADA improvements to Council Chambers
- Complete design and construction of 50 curb ramps for ADA accessibility throughout the City.
- Complete repavement of the parking lot at a facility serving the homeless.
- Complete renovations to restrooms (including ADA accessibility improvements) and the gym in a community recreational facility serving a low-income census tract.
- Complete renovations to four group homes serving disabled adults.
- Complete the planned repayment of a Section 108 loan for ladder truck.

Performance Measures/Outcomes: Suitable Living (SL)/Availability (1)

Priority 9: Provide Needed Community and Supportive Services to Those of Low and Moderate Income and/or with Special Needs

- a. **Community and Supportive Services:** The City has identified the following projects for FY 2013-14:

Community Oriented Policing – 05I:

- **Crime-Free Multi-Housing (CFMH) Program** – Crime prevention education for multi-unit housing complexes

FY 2013-14 Funding: CDBG - \$59,982

Senior Services – 05A:

- **Angel’s Depot – “Food for a Week”** Emergency Food Distribution for very low-income seniors

FY 2013-14 Funding CDBG - \$8,001

- **Meals-on-Wheels** – Meals for homebound seniors and persons with disabilities

FY 2013-14 Funding: CDBG - \$10,000

Employment Training Services – 05A:

- **St. Madeleine Sophie’s Center** – Work Activity Program for Disabled Adults

FY 2013-14 Funding CDBG - \$10,000

Five-Year Objectives:

- Provide community and supportive services that benefit:
 - 2,000 low and moderate income persons through fair housing services (provided under Housing Priority)
 - 800 seniors through meals, in-home, health, and referral services
 - 10,000 persons with crime awareness programs

One-Year Objectives:

- Assist 2,500 low-income persons through Community Policing’s Crime-Free Multi-Housing Program.
- Assist 100 seniors through the Meals on Wheels program.
- Assist 85 very low-income seniors through Angel’s Depot’s “Food for a Week” program.
- Assist 50 disabled adults through St. Madeleine Sophies’ Work Activity Program.

Performance Measures/Outcomes: Suitable Living (SL)/Availability (1)

Priority 11: Provide for Necessary Planning Activities to Develop and Implement Both Housing and Community Development Plans to Address Anticipated Needs

- a. **CDBG and HOME Administration – 21A:** Up to 20 percent of the CDBG funds and up to 10 percent of the HOME funds can be used to support the general administration of the CDBG and HOME programs by the Department of Community Development. Administration funds are used to provide preparation and implementation of the Consolidated Plan; annual Consolidated Annual Performance Evaluation and Reporting (CAPER); administration of all program and project-related activities and documentation; program and project oversight and monitoring; annual financial audit; publication of required public notices; attendance at training and meetings; and other administrative costs.

FY 2013-14 Funding: CDBG - \$168,978

[Activity is authorized to receive additional CDBG funds, including program income, to the maximum percentages allowed – See Table 1, Note 4.]

Five-Year Objectives:

- Annually review implementation of the Consolidated Plan and update the Action Plan and other components as necessary.
- Conduct monitoring of CDBG- and HOME-funded activities annually.

One-Year Objectives:

- Review implementation of the Consolidated Plan and update the Action Plan and other components as necessary.
- Implement housing and community development activities as identified in this Action Plan.
- Conduct monitoring of CDBG- and HOME-funded activities.
- Conduct analysis, develop and finalize a Five-Year Consolidated Plan for the next five-year period as required, for submittal to HUD on or before May 14, 2014.

Antipoverty Strategy (91.215 (h))

- | |
|---|
| <p>1. <i>Describe the actions that will take place during the next year to reduce the number of poverty level families.</i></p> |
|---|

FY 2013-14 Action Plan Antipoverty Strategy response:

1. The City will continue to implement its five-year strategy to help impoverished families achieve economic independence and self-sufficiency as resources allow. The anti-poverty strategy utilizes existing job training and social service programs to increase employment marketability, household income, and housing options. In the past, the City's anti-poverty strategy also included direct activities that focus on job creation and retention, particularly in the downtown area.

a. Coordination with Other Agencies: As a means of reducing the number of persons with incomes below the poverty line, the City will continue to coordinate its efforts with those of other public and private organizations providing economic development and job training programs. A number of public, quasi-public, and nonprofit organizations provide economic development and job training services in El Cajon. These include:

- East County Regional Chamber of Commerce
- East County Regional Occupational Program (ROP)
- Grossmont College Regional Occupational Program (ROP)
- San Diego Workforce Partnership / Workforce Investment Act
- East County Career Center
- East County Help Ourselves
- Crisis House
- Volunteers of America
- East County Transitional Living Center
- St. Madeleine Sophie's Center

b. Downtown Redevelopment: With the dissolution of the El Cajon Redevelopment Agency on February 1, 2012, downtown redevelopment will be limited to: private efforts; continuing pursuit of negotiations for redevelopment of the El Cajon Performing Arts Center (ECPAC) to potentially build a four star hotel; and site demolition, preparation, sale, and redevelopment of several former Agency properties under the control of the Successor Agency and Oversight Board, if approved by the California Department of Finance.

The former Redevelopment Agency Five-Year Redevelopment Implementation Plan (for 2009-2014) includes numerous efforts to attract and retain business to the downtown redevelopment area (Project Area) in order to boost job creation, however many of the action items in the Plan have been eliminated or reduced due to the elimination of the Agency until additional resources can be found to replace redevelopment funding:

- **Business Retention, Recruitment and Relocation:** This program has been eliminated due to lack of funding.
- **Façade Improvement Program:** This program has been eliminated due to lack of funding.
- **Economic Development Program:** The City is committed to increasing and retaining its strong business foundation. With the dissolution of the former El Cajon Redevelopment Agency, the City lost an important tool to promote economic development opportunities. This project will provide funding for the proactive recruitment or relocation of new businesses to El Cajon, the expansion of existing businesses and underserved retail markets, and capital improvement assistance to local businesses, which are all vital in creating a strong economic foundation for the City and its citizens. Funding will be limited to Redevelopment Property Tax Trust Fund ("RPTTF") monies received periodically, or funding dedicated during the annual budget process.

This activity will result in the creation of new jobs, elimination of blighting conditions, and will build the economic strength of the City for the future.

2. The City's anti-poverty strategy enhances the employability of residents through the provision of employment training and supportive services, while expanding employment opportunities for persons in poverty by creating/retaining jobs through public improvement projects and redevelopment activities.

NON-HOMELESS SPECIAL NEEDS HOUSING

Non-Homeless Special Needs (91.220 (c) and (e))

1. *Describe the priorities and specific objectives the jurisdiction hopes to achieve for the period covered by the Action Plan.*
2. *Describe how Federal, State, and local public and private sector resources that are reasonably expected to be available will be used to address identified needs for the period covered by this Action Plan.*

**Please also refer to the Non-homeless Special Needs Table in the Needs.xls workbook.*

FY 2013-14 Action Plan Non-homeless Special Needs response:

1. The City's priority "non-homeless special needs" eligible for assistance by CDBG eligibility category are specified in the Non-Homeless Special Needs Table in Appendix B of the Consolidated Plan. High Priority was assigned to housing and supportive services for the elderly, frail elderly and the physically disabled. Medium Priority was assigned for all other populations listed in the Table for both housing and supportive services. The City's major objectives for FY 2013-14 for non-homeless special needs housing relates to affordable and decent housing for seniors as follows:

In 2009, the former El Cajon Redevelopment Agency entered into a Disposition and Development Agreement (DDA) with Affirmed Housing Group for the development and construction of 49 units of rental housing for very low income seniors in El Cajon. In the agreement, the Agency committed \$4,500,000 in LMIHAF funds. In June of 2011, Low Income Housing Tax Credits were also awarded to the project. The Solterra/Chambers Senior Residences project will be located near the downtown area with access to public transportation and will bring new life to an aging area with exciting architecture, community access to the patio/gardens, while still providing mixed-use office/retail components to support senior needs. Following the successful amendment of the DDA (which included establishing the El Cajon Housing Authority as Successor Agency), a Groundbreaking Ceremony was held on April 3, 2012, and construction completion and 100% lease-up is expected in the April 2013.

The priorities and objectives for supportive services for the elderly, frail elder and the physically disabled the City hopes to achieve include the provision of food to low income seniors in El Cajon (Meals on Wheels and Angel's Depot) and the provision of a job placement and intensive job coaching program for adults with disabilities. The City's objective is to assist at least 185 seniors and 50 disabled individuals through the provision of these services.

2. A vast majority of the projects to be undertaken for FY 2013-14 are designed to meet the housing and supportive service needs of non-homeless special populations. The City has allocated \$59,982 for the Crime-Free Multi-Housing program which benefits all residents of particular areas including special populations. The City has also allocated \$10,000 to Meals on Wheels and \$8,001 to Angel's Depot for provision of food to low income seniors in El Cajon. The City's objective is to assist at least 185 seniors through the provision of these services. The City has also allocated \$10,000 for a job placement and intensive job coaching program for adults with disabilities, with the objective of serving 50 individuals.

In addition, ADA improvements to public facilities improve access to all manner of services for the physically disabled. For FY 2013-14, the City has allocated \$125,223 for ADA Curb Ramps, \$240,000 for ADA improvements to Council Chambers, \$35,247 to assist with renovations to four group homes which serve developmentally disabled residents, and \$60,455 for renovations to the gym and restrooms (including ADA improvements) at a community recreational facility serving the low-income census tract.

Further, the Mobile Home, Single-Family and Multi-Family Rehabilitation Loan Programs primarily benefit elderly homeowners and tenants who are often disabled as well (mobile homes in particular). In FY 2013-14, the City will use approximately \$300,000 in CDBG funds carried over from the previous fiscal year to assist mobile home owners to preserve their homes. The City will also use HOME funds from the Housing Programs Pool of Funds and any amounts carried over from previous years (estimated to be approximately \$97,000) to assist single-family homeowners on an as-needed basis, the majority of whom are elderly persons.

Additional federal, state, local public- and private-sector resources are likely to be available for addressing identified non-homeless special needs, in addition to CDBG and HOME Funds.

Housing Opportunities for People with AIDS

1. *Provide a Brief description of the organization, the area of service, the name of the program contacts, and a broad overview of the range/ type of housing activities to be done during the next year.*

2. *Report on the actions taken during the year that addressed the special needs of persons who are not homeless but require supportive housing, and assistance for persons who are homeless.*
3. *Evaluate the progress in meeting its specific objective of providing affordable housing, including a comparison of actual outputs and outcomes to proposed goals and progress made on the other planned actions indicated in the strategic and action plans. The evaluation can address any related program adjustments or future plans.*
4. *Report on annual HOPWA output goals for the number of households assisted during the year in: (1) short-term rent, mortgage and utility payments to avoid homelessness; (2) rental assistance programs; and (3) in housing facilities, such as community residences and SRO dwellings, where funds are used to develop and/or operate these facilities. Include any assessment of client outcomes for achieving housing stability, reduced risks of homelessness and improved access to care.*
5. *Report on the use of committed leveraging from other public and private resources that helped to address needs identified in the plan.*
6. *Provide an analysis of the extent to which HOPWA funds were distributed among different categories of housing needs consistent with the geographic distribution plans identified in its approved Consolidated Plan.*
7. *Describe any barriers (including non-regulatory) encountered, actions in response to barriers, and recommendations for program improvement.*
8. *Please describe the expected trends facing the community in meeting the needs of persons living with HIV/AIDS and provide additional information regarding the administration of services to people with HIV/AIDS.*
9. *Please note any evaluations, studies or other assessments that will be conducted on the local HOPWA program during the next year.*

**Please also refer to the HOPWA Table in the Needs.xls workbook.*

FY 2013-14 Action Plan HOPWA response:

The County of San Diego Department of Housing and Community Development (HCD) administers the Housing Opportunities for Persons with AIDS (HOPWA) Program, a federal housing program of the U.S. Department of Housing and Urban Development (HUD). Housing and service providers compete annually for HOPWA funds through a Notice of Funding Availability (NOFA) application process. The City of El Cajon does not receive or administer HOPWA funds directly.

Specific HOPWA Objectives

Describe how Federal, State, and local public and private sector resources that are reasonably expected to be available will be used to address identified needs for the period covered by the Action Plan.

FY 2013-14 Specific HOPWA Objectives response:

Not applicable, as the City of El Cajon does not receive or administer HOPWA funds directly.

Other Narrative

Worst Case Needs

The City has identified senior, disabled and handicapped homeowners as those most in need of home repairs (i.e. worst case needs), and those least able to qualify for private financing to take care of their property repairs. The City's Rehabilitation Loan Programs seek to address the needs of residents with the fewest resources.

Percent CDBG Funds Benefiting Low- and Moderate-Income Persons

For FY 2013-14, the City's CDBG allocation will be used to benefit low and moderate-income persons, either through Low and Moderate Income Area (LMA) benefit or Low and Moderate Income Limited Clientele (LMC) benefit. In addition, most census block groups in El Cajon are qualified low- and moderate-income block groups as well as 56 percent of the entire City's population. Therefore, 100% of CDBG funds will be used to benefit low- and moderate-income persons.

Obstacles to Fair Housing

The City of El Cajon has made a strong commitment to the provision of fair housing in its community. The City of El Cajon will contract with CSA San Diego County (formerly Center for Social Advocacy) in FY 2013-14 for the provision of fair housing and landlord/tenant mediation services. CSA San Diego County will assist the City in affirmatively furthering fair housing through public education workshops, counseling, conciliation, landlord/tenant mediation (including mobile home parks), filing of discrimination complaints, enforcement and other fair housing services. In addition, the Center educates property owners and managers and assists them to comply with fair housing regulations.

The City participates in the completion of a Regional Analysis of Impediments to Fair Housing. In 2009, the City of El Cajon, in conjunction with other jurisdictions of San Diego County, contracted with Veronica Tam and Associates to complete an Analysis of Impediments to Fair Housing (AI). That AI was completed in 2010. The AI identifies potential impediments to fair housing and provides recommendations for addressing those impediments. **Appendix C** lists the outstanding impediments from previous and current AI's for the region and for the City of El Cajon specifically, and includes the City's

Five-Year Fair Housing Action Plan for addressing those impediments. The City will implement its strategy to correct or implement each of the recommended actions.

Fair housing services and education will be provided to approximately 200 residents, in addition to the provision of workshops for rental housing providers, tenants, realtors, and other community agencies to counter the lack of knowledge of fair housing laws and regulations. CSA San Diego County will also provide enforcement, investigation, case development and testing.

Leveraging Funds

All CDBG-funded projects proposed for FY 2013-14 will endeavor to include leveraging of other resources, such as grants from federal, state, and local governments, private foundations, capital development funds, general funds, private donations of funds or services, and other various funding sources.

HOME Match

Federal match requirements apply to the City's HOME funds. The HOME program requires that for every HOME dollar spent, the City must provide a 25 percent match with non-federal dollars. In FY 2012-13, the City was granted a 50% match reduction such that its match requirement is now 12.5%. In the past, LMIHAF funds were the City's primary source for leveraging or providing matching funds for the City's housing programs. The City currently maintains excess match from previous fiscal years of over \$6.1 million.

Substantial Amendments

In order to maintain the Consolidated Plan as a viable, working document, it must be reviewed annually and updated every three to five years. Periodic review allows the City to evaluate the progress made toward attaining the established goals. It also provides the City with an opportunity to respond to changing needs and/or fiscal conditions within the community. The City may amend its Consolidated Plan and/or its Annual Action Plan in response to changing needs and/or fiscal conditions within the community in accordance with its Citizen Participation Plan.

Amendments to the Consolidated Plan may be considered whenever it is found to lack scope sufficient to address a changing need or fiscal condition within the community. Before the City submits a substantial amendment to its Consolidated Plan to HUD, the community shall be provided reasonable notice and opportunity to comment. Once an amendment is submitted, it will include a summary of the citizen comments received as well as be made available for public review.

Amendments to the Annual Action Plan may be considered any time a new project, or a "substantial change" to an approved project, is contemplated as defined in and in accordance with the City's adopted Citizen Participation Plan.

Affirmative Marketing

For housing containing five or more HOME-assisted units, the City of El Cajon requires compliance with affirmative fair housing marketing practices when landlords and owners

are advertising the availability of housing units to solicit applications from persons of all ethnic, racial and gender groups. Affirmative marketing practices include, but are not limited to, collection of race/ethnic origin data, community marketing efforts and waiting lists.

- Written material on Federal Fair Housing Laws will be distributed to owners/tenants. All advertisements and/or public announcements regarding the program will include the "Equal Housing Opportunity" logo.
- Each property assisted will be marketed in a manner to affirmatively further fair housing, including but not limited to, using the "Equal Housing Opportunity" logo in any newspaper advertisement, or written communication to community groups, organizations, agencies or other community contacts.
- To inform and solicit applications from those persons in the housing market area least likely to apply for the housing unit, owners will utilize various community contacts to advertise unit availability.
- The City will periodically review affirmative marketing efforts made by owners to ensure compliance with Equal Housing Opportunity provisions. These reviews are included as part of the periodic monitoring on-site visits. Some of these reviews are conducted on an annual basis. Where an owner has failed to follow affirmative marketing requirements, appropriate actions available under program regulations and/or applicable laws will be taken to enforce conformity.

Owners will be encouraged to comply with provisions of affirmative marketing of the units for no less than seven years after the completion date of the project.

Actions to Establish and Oversee a Minority Outreach program

The City of El Cajon continues to implement the following actions:

- It is the policy of the City of El Cajon to promote the opportunity for full participation by minority-owned businesses, women's enterprises, and all other socially and economically disadvantaged persons.
- The City each year of its CDBG and HOME Program publishes an estimate of the amount of funds that will be made available for various projects and programs in part to inform minority- and women-owned enterprises of possible employment and bidding opportunities generated by these programs.
- The City will advertise in a newspaper of general circulation in the area to attract minority- and female-owned enterprises. The ads for bids and proposals will indicate that the proposed contractors utilize to the greatest extent feasible minority- and female-owned enterprises.

Program Income

Program income funds from the repayment of outstanding loans and other activities in both CDBG and HOME programs are expected to be received throughout the year. For FY 2013-14, those amounts are estimated to be approximately \$10,000 for HOME and \$1,000 for CDBG. Program income generated from the repayment of housing activities, including rehabilitation (CDBG and HOME) and First-Time Homebuyer (HOME) loans, will automatically be allocated back to housing program fund from which it came (Housing Rehabilitation Program for CDBG and the Housing Programs Pool of Funds for HOME). In addition, as allowed by the regulations, 10% of eligible HOME program income will be used for HOME Administration and 20% of CDBG program income will be used for CDBG Administration. If additional program income funds are received that are not automatically reprogrammed, specific projects will be identified and amendments to this Action Plan will be prepared and submitted as required by the City's adopted Citizen Participation Plan.

Program Specific Requirements (CDBG and HOME)

The Project sheets included as **Appendix B**, describe the activities with respect to the estimated CDBG and HOME funds expected to be available during FY 2013-14. Any additional funds received that are greater than the estimated CDBG and HOME allocations will be distributed as set forth in Table 1 and accompanying Notes. These actions are consistent with the goals and objectives of the Consolidated Plan.

- Appropriate FY 2012-13 HOME program income as follows: 90% to the Housing Program Pool of Funds (H0720), and 10% to HOME Administration (HADMIN) for preparation of the consolidated plan, fair housing testing, and City personnel expenses (salaries and benefits) of providing services to the HOME program; and
- Allocate funds to projects and programs that will be funded from the FY 2013-14 Community Development Block Grant (CDBG) and HOME grant programs.

ITEM 101 (RECOMMENDATIONS – Continued)

DISCUSSION

Councilmember Kendrick informs **Council** he must disqualify himself from this item as his wife provides care at the Home of Guiding Hands and there may be a financial conflict of interest. He leaves the Council Chambers.

Jamie Kasvikis, Senior Management Analyst, gives a slide presentation summarizing the report and recommended allocations.

Mayor Lewis announces the Public Hearing is now Open.

The following spoke in support their requests for funding:

Mary Case, Crisis House
Rosemary Johnston, Interfaith Shelter Network
Karen Cook, Home of Guiding Hands
Lesa Mitchell, Boys and Girls Clubs of East County
Debra Emerson, St. Madeleine Sophie's Center
Estel De Los Rios, CSA San Diego County
Marian Mann, Meals on Wheels, Greater San Diego
Harold Brown, East County Transitional Living Center (ECTLC)
Anchi Mei, International Rescue Committee
Susan Hall, Angel's Depot

John Gibson thanks **Council** for their service to the community and for their support for the ECTLC.

Daryl R. Priest speaks about the great job done by members of the ECTLC for the Clean & Safe program, Concerts on the Green and Car Shows.

In response to **Councilmember McClellan's** suggestion to fully fund the request from the Boys & Girls Club and the paving project for the East County Transitional Living Center, **City Manager Williford** indicates it would result in a change of approximately \$60,000, and money could be taken from the curb ramps program.

No further comments made.

ITEM 101 (Continued)

MOTION BY MCCLELLAN, SECOND BY LEWIS, to MOVE funds from the ADA Curb Ramp Installation project and TENTATIVELY ALLOCATE an additional \$30,000.00 to ECTLC for parking lot paving, and to fully fund the request from Boys & Girls Clubs of East County.

(Report: City Manager)**

RECOMMENDATION: That the City Council

- Open the Public Hearing and receive testimony
- Close the Public Hearing
- Finalize allocations of CDBG and HOME Funds for projects and programs as a part of the FY 2013-2014 One-Year Action Plan; and
- Adopt the next RESOLUTION in order approving the FY 2013-2014 One-Year Action Plan in substantially the form presented, with such non-monetary changes as approved by the City Manager, and authorizing the City Manager, or designee, to submit the Plan to the U. S. Department of Housing and Urban Development (HUD), and execute all affiliated documents.

ITEM 3.1 (Continued)

DISCUSSION

The Public Hearing is now open.

Councilmember Kendrick advises he must disqualify himself from this Item as the House of Guiding Hands employs his wife. He leaves the Chambers at 3:55 p.m.

Harold Brown, East County Transitional Living Center (ECTLC), thanks Council for the partnership between the City and ECTLC. He expresses sympathy to those who have lost loved ones with the recent tragic events. He discusses benefits of the program and the number of people they have been able to help. He advises that the Center is out of funds for the next couple of months.

Councilmember McClellan states that the Pastor of Skyline Church has requested donations to ECTLC in lieu of flowers, following the passing of Carol Garlow.

No one else comes forward to speak.

MOTION BY LEWIS, SECOND BY MCCLELLAN, to CLOSE the Public Hearing.

MOTION CARRIES. (KENDRICK – Disqualified)

MOTION BY LEWIS, SECOND BY MCCLELLAN, to FINALIZE allocations of CDBG and HOME Funds for projects and programs as a part of the FY 2013-2014 One-Year Action Plan; and ADOPT RESOLUTION NO. 52-13 approving the FY 2013-2014 One-Year Action Plan in substantially the form presented, with such non-monetary changes as approved by the City Manager, and authorizing the City Manager, or designee, to submit the Plan to the U. S. Department of Housing and Urban Development (HUD), and execute all affiliated documents.

MOTION CARRIES. (KENDRICK – Disqualified)

(\$20,000 in 2013-14 for El Cajon)	2015	2011 and on-going	The City is providing \$4.5 million for a project that will add 49 units of new construction targeting very-low income seniors. All units will be adaptable for disabled accessibility. The Fair Housing provider is tasked with maintaining a rental listing of affordable and accessible housing in the City of El Cajon.
Non-adoption of a universal design ordinance	Adoption of a universal design ordinance	Encourage/require universal design principles in new housing developments Jurisdictions with a residential rehabilitation program should specifically include ADA-compliant upgrades in their programs; also consider program modifications to allow financial assistance for accessibility improvements for renters, as well as homeowners	All jurisdictions and service providers	2011	No costs anticipated.	2015		Adoption of a universal design ordinance is not financially feasible. The Community Development Department requires ADA where indicated in the Building Code and whenever federal funds are being used. City encourages universal design features when feasible for a project. ADA upgrades are routinely provided in the City's rehabilitation programs.

Appendix E: Certificates

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-Displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential anti-displacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace -- It will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about –
 - (a) The dangers of drug abuse in the workplace;
 - (b) The grantee's policy of maintaining a drug-free workplace;
 - (c) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - (d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will -
 - (a) Abide by the terms of the statement; and
 - (b) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for

the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted:
 - (a) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - (b) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency With Plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with Section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. **Overall Benefit.** The aggregate use of CDBG funds including Section 108 guaranteed loans during program year(s) **2013, 2014, 2015**, (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. **Special Assessments.** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements. However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a

source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination Laws -- The grant will be conducted and administered in conformity with Title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, subparts A, B, J, K and R;

Compliance With Laws -- It will comply with applicable laws.

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If the participating jurisdiction intends to provide tenant-based rental assistance: The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

Eligible Activities and Costs -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

Appropriate Financial Assistance -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing.

APPENDIX TO CERTIFICATIONS**INSTRUCTIONS CONCERNING LOBBYING AND DRUG-FREE WORKPLACE REQUIREMENTS:****A. Lobbying Certification**

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

B. Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
 2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
 3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
 4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
 5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
1. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

City of El Cajon
200 Civic Center Way
El Cajon, CA 92020
County of San Diego

Check if there are workplaces on file that are not identified here.

The certification with regard to the drug-free workplace is required by 24 CFR part 24, subpart F.

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).
