In accordance with Rule 1.4(a)(4) of the Commission's Rules of Practice and Procedure, the Coalition to Decommission San Onofre (CDSO) hereby Moves to Become a Party in the 2012 Nuclear Decommissioning Cost Triennial Proceedings.

The Coalition to Decommission San Onofre (CDSO) is a grassroots project of Citizens Oversight, Inc., a 501(c)(3) public benefit corporation which encourages increased engagement by the public in the operation of their local, state and federal government to reduce waste, fraud and abuse by public officials.

Citizens Oversight dba Coalition to Decommission San Onofre is unique in its localized, on-the-ground volunteer membership which affords ready consultation with local elected officials and community members regarding the varied impacts of the San Onofre Nuclear Power Plant, as well as the implications of decommissioning. Citizens Oversight is based in San Diego and Orange Counties and we have no office in the S.F. Bay Area; therefore effective participation in the CPUC's decision-making process requires additional time, travel and communications expenses. We lack the ratepayer-funded facilities and resources of Southern California Edison, San Diego Gas & Electric and the Commission.

Our communities in Orange and San Diego Counties most impacted by the San Onofre Nuclear Power Plant and its defective nuclear reactors, and now its decommissioning, depending upon us – *unpaid community members who also have to tend to our businesses/jobs, kids, elderly parents* – to represent them in these proceedings, as well as in the Commission's Investigation into the San Onofre Outage over the past several months (in which CDSO is a Party and has participated fully), plus the U.S. Nuclear Regulatory Commission's (NRC) decision-making process for the operation, and now decommissioning, of this defective nuclear power plant. Our neighbors, elected officials and the media increasingly call upon us with questions about San Onofre.

Service of notices, orders and other communications and correspondence in these proceedings should be directed to the CDSO's lead representative to the Commission, as set forth below.

Respectfully Submitted,

/s/ Martha Sullivan
