Re: Public Records Act Requests received April 24, 2015

Dear Mr. Lutz:

Your request of the above date made pursuant to the California Public Records Act ("CPRA") California Government Code section 6250 et seq., was forwarded to our office for review and response. You requested citizen complaints regarding police officer activity for the past five years. You indicate in a communication after your April 24 request that you are not seeking the actual complaints. Note that citizens' complaints against peace officers are exempt from disclosure, except by discovery procedures set out in the California Evidence Code, pursuant to the California Penal Code sections 832.5 and 832.7. More detail will be provided in our determination letter.

Your request requires coordination between two or more departments to ensure a thorough search of the files. Accordingly, we are extending the time we need to make our determination to May 18, 2015, pursuant to Government Code section 6253(c), at which time you will receive our determination regarding your request and an estimate as to when responsive documents will be made available to you.

Very truly yours,

Barbara C. Luck
Staff Attorney
