PUBLIC RECORDS REQUEST OR QUESTION

Please process this request EITHER as a public records request per California Public Records Act (Cal Code Section 6250 et seq), if it cannot be processed as a QUESTION, per Election Code Section 2300, the "Voters Bill of Rights" paragraph 9, to which we have a right to receive an answer:

2300 (9) (A) You have the right to ask questions about election procedures and observe the election process.

(B) You have the right to ask questions of the precinct board and elections officials regarding election procedures and to receive an answer or be directed to the appropriate official for an answer. However, if persistent questioning disrupts the execution of their duties, the precinct board or elections officials may discontinue responding to questions.

In the November 2018 election, your office used equipment that produced relatively high-resolution ballot images in the process of recognizing the vote on paper ballots. This is a public record which is not exempted under Cal Code 6250 et seq.

Therefore, please provide the ballot images for the November 2018 general election. Please provide the data electronically in a machine-readable format, either on CD or on thumb-drive.

Sincerely,

A handwritten signature in black ink, appearing to read "Ray Lutz", with a long horizontal stroke extending to the right.
