RE: Your Public Records Act Request Related to March Primary Election Data

Dear Mr. Lutz:

I am writing in response to the above-referenced Public Records Act request. My staff has reviewed your request and continues to search for responsive records.

Pursuant to Government Code section 6253, subdivision (c), the County will need an extension of time to prepare its initial response. This extension is due to the need to review and compile data, to write programming language or a computer program, or to construct a computer report to extract data.

We will provide a determination on your request on or before April 12, 2020. Nothing in this letter should be construed as a representation that the County has all of the records requested, or that such records (if they exist) are subject to public disclosure.

Sincerely,

A handwritten signature in black ink, appearing to read "Neal Kelley".
