June 3, 2014 Statewide Primary Election
Report of the Official Canvass and 1% Manual Tally

Official Canvass of the Vote. The official canvass was completed and the election certified on Friday, June 20, 2014. The official canvass consisted of several steps, including an inspection of all materials and supplies returned from each polling place, processing and counting vote by mail ballots and ballots cast at and returned from each precinct, including provisional ballots, a reconciliation of signatures in roster indexes with votes recorded, a reconciliation of ballots counted with the number of votes recorded, a manual tally of the ballots tabulated by the voting systems at 1% of the precincts, and a 100% manual tally of all votes cast on any AVC Edge II (touch-screen) voting machine. The Department notified the public of the schedule of activities of the official canvass and invited interested parties, political party central committees, and the Civil Grand Jury to observe.

Manual Tally. The 1% manual tally includes ballots cast from randomly selected precincts and includes both paper ballots and accessible touch-screen voting machine ballots as well as vote by mail ballots centrally tabulated at the Monterey County Elections Department. The "one percent manual tally" is defined by Elections Code Section 336.5 as "the public process of manually tallying votes in 1 percent of the precincts, selected at random by the elections official, and in one precinct for each race not included in the randomly selected precincts. This procedure is conducted during the official canvass to verify the accuracy of the automated count."

On Wednesday, June 11, at 8 am, the Department conducted a public random selection of precincts for the 1% manual tally. The Department used four 10-sided colored dice that were rolled to randomly generate precinct numbers. The following Roll Record report represents the random draw.

Increased Sample Size for Close Contests. The post-election manual tally regulations were not submitted for renewal by the Secretary of State, and were therefore not in effect for the June 3, 2014 Statewide Primary Election. However, the Department opted to randomly select and verify two additional precincts, one in each of the following districts' respective governing board member or director:

- Gonzales Unified School District SFID 1
- Supervisor, 2nd District

Results of the Manual Tally. The results of the manual tally confirmed the results of the election were reflected accurately. The Department found no true variances between the manual tally and the electronic results. The required 1% manual tally verified that the automated tabulation of votes on the Optech 400-C (central count) paper ballot tabulating machines was accurately reflected. The 100% manual tally verified that the automated tabulation of votes cast on each AVC Edge II (touch-screen) voting machine was accurately reflected.

The machine results for paper ballots voted at each precinct selected balanced with the results of the manual tally.
