### Madera County 1% Manual Tally

Per Elections Code Section 15360, 1% of precincts must be hand tallied to determine that the voting system is reading and tabulating votes correctly. To determine 1% of the precincts, divide the total number of precincts including mail ballot precincts, by 100. For June 7, 2016, there were 77 precincts, which means that .01 or 1 precinct must be fully counted. Additionally, one precinct must be counted for each contest that is on the ballot. As such, additional precincts are randomly selected for each contest that is not included in the initial count. For June, 2016, three additional precincts were tallied for individual contests. Votes cast in those precincts listed below were tallied including Vote-By-Mail ballots and Precinct Ballots.

#### Precinct 1307 (100%)

Vote by Mail Ballots: Did not balance on first pass. Upon visual inspection of cards, it was determined that 1 card was bent and required duplication. Said card was duplicated and counts balanced on second pass.

Precinct Ballots: Balanced on first pass.

#### Precinct 3207 Contests:

Vote by Mail Ballots: Two local contests were tallied. Both contests were short by one vote. Upon visual inspection of cards, counts were confirmed. It was determined that 1 card for each contest was machine unreadable. Said cards were duplicated and counts balanced on second pass.

Precinct Ballots: Two local contests were tallied. Balanced on first pass.

#### Precinct 4208 Contests:

Vote by Mail Ballots: Local contest tallied. Balanced on first pass.

Precinct Ballots: Local contest. Did not balance on first pass. Upon visual inspection of cards, it was determined that 1 card had fold and was not read by the ballot counter. Said card was duplicated and counts balanced on second pass.

Precinct 5409 Contest:

Vote by Mail Ballots: Did not balance on first pass. Upon visual inspection of cards, it was determined that 1 card was torn and 1 card was unreadable. Said cards were duplicated and counts balanced on second pass.

Precinct Ballots: Balanced on first pass.

All ballots cast on e-Slate electronic voting equipment were duplicated onto Mark-a-Vote paper ballots and tabulated with the precinct ballots upon final certification during the canvass.

Upon completion, our machine tally matched the hand counts with 100% accuracy.

Dated this 23<sup>rd</sup> day of June, 2016.
